Swansea 1, Luton 0

**A** THOMAS header after 77 minutes to score the only goal was the one relief in a boring match.

If Swansea and Luton produce this sort of football they will face a struggle against relegation around Easter time.

Four men stood out from the general poverty in performance. For Luton, Standen, who spends his summers playing cricket for Worcestershire, was exceptional, while Fleming looked to be the only forward capable of profiting from Swansea's loose defence.

Dwyer had a quiet but competent match while Jones tried hard to impress the Welsh F.A. in time for tomorrow's team selection for the match with Scotland.

Only two goal scoring chances were created, once when the header from Thomas beat Standen, the other when Saunders kicked wide when the goal was at his mercy and Standen was on the ground.
