

LUTON PAY FOR BAD SHOOTING

TWO PLAYERS BOOKED

Manchester C. ... 1 Luton... 0

Two point-blank misses in the 16th and 63rd minutes by Luton centre-forward Turner saved Manchester City in this League Cup fourth round match last night.

But even with Turner in charitable form, City struggled painfully with what should have been a simple task.

Luton were largely responsible for reducing slabs of the game to a hacking exhibition. In the circumstances it was a surprise that only Bramwell and Walden had their names taken.

Not until the last 10 minutes did City really assert themselves and then Baynham showed true international class. Hannah made the only goal after 32 minutes. His delicately placed through-ball found Young, who immediately left Harley with a simple chance.
