

GOALKEEPER BAYNHAM IS BRILLIANT

62/63

Luton 3, Huddersfield 2

WITH seconds to go Huddersfield inside-right Milner had an open goal before him and lobbed the ball over the bar. Thus Huddersfield were deprived of a point which they deserved. Three goals down after 52 minutes, they had fought back with fire and fury. Luton's defenders were in a panic, kicking the ball anywhere in a desperate attempt to keep them at bay.

Yet had it not been for the brilliance of Baynham, Huddersfield must have taken the points. In the second half the Yorkshire side were often magnificent in their approach work. But they tended to over-elaborate and that was where they fell down.

For much of the first half, and especially at the beginning of the second, Luton did not look at all like a bottom-of-the-table team.

Chandler, playing his first League game of the season, led the forward line with dash, and veteran Turner showed greatly improved form.

Jardine put Luton ahead after six minutes; Turner back-headed a second goal seconds after the interval; and Bettany put through his own goal for the third after 52 minutes. Balderstone (55 minutes) and O'Grady (69) scored for Huddersfield.
