Luton 3, Plymouth 0

RON DAVIES, the big bustling centre forward, once again proved Luton's inspiration — and might well prove their salvation, too, in their struggle against relegation.

But his speed, ball-control and enthusiasm were an example which his colleagues were slow to follow at first.

On this form, Davies must be destined for Welsh international honours.

If only other Luton players can capture even some of his spirit they could still cause an upset in the relegation stakes.

Once Dave Pacey had shot them into the lead just before the interval, there was no doubting Luton's superiority over the strong Plymouth side.

Second-half goals from Brennan—his first in League football—and Davies only served to emphasise it.
