

LUTON FALL TO 87th min. GOAL

Workington 1 Luton 0

Although they dominated the game throughout, Workington left it late to confirm their superiority over Luton.

It was only three minutes from the end when their left-winger, Martin, steered a low drive through a ruck of players to gain both points. Earlier, he had hit the upright and centre-forward Napier hit the cross-bar.

BAYNHAM INJURED

McKechnie's saves

Luton seemed in a really difficult plight for 10 minutes in the first half, when Baynham, their goalkeeper, went off for attention to an eye injury. While he was away, however, McKechnie, the inside-right, made two excellent saves.

The Luton forwards failed to make any real impression. The best shot came from full-back Jardine.
