

Phillips goals 64/65 power Luton

Luton5 Barnsley1

ALREADY Ted Phillips has repaid Luton a large slice of the £4,000 fee they paid Leyton Orient for him.

Two goals brought his tally to six in seven matches

The first half gave no hint that Barnsley would be concerned in a near debacle because they found each other more accurately than Luton and Phillips's early goal was equalised almost immediately by Bettany.

Luton's hopes at half-time did not look optimistic but suddenly they were sparked off by a goal by McKechnie, who had been barracked in the first half. He became the hero of the hour with another.

Then came a gem of a goal from Phillips and O'Rourke, brought back from the wilderness of the reserve team, completed a remarkable scoring burst
