

Luton lack power

Wrexham2 Luton0

Wrexham never looked back after a 13th-minute goal by Sammy McMillan.

Their more direct football was the deciding factor. The Welshmen did things in three moves where Luton needed a dozen.

Luton's Soccer was pretty to watch, but it got them nowhere. The clash of styles brought a clash of tempers and the referee booked Luton forward McKechnie and later had to sort out trouble between Wrexham inside forward Harding and Luton wing half Gibson.

Luton keeper Tinsley was brilliant under pressure, but he made the Welsh victory certain by dropping a ball for McMillan to score again.
