

GUNTER'S

A WINNER

65/66
ALDERSHOT 3, LUTON 1

STRONG-MAN Phil Gunter shut out Luton's big menace John O'Rourke and after that it was easy for Aldershot.

Poor Luton. Nothing went right for them and they even brought on Bruce Rioch as substitute after only six minutes.

Ray Whittaker pulled up in the first 60 seconds, holding his thigh, but was told to carry on after signalling to the trainer's bench.

He did the same next time he went for a pass—and left the field to jeers.

Luton were really in the wars. Freddie Jardine, who had an outstanding game propping a tottery defence, Jimmy Gibson and Colin Tinsley all needed attention

Luton's only goal came early on from a blunder by Davy Jones, who misjudged a harmless-looking lob by O'Rourke.

Peter Kearns equalised and wandering Bobby Howfield made Aldershot's other two.

Howarth, who despite his relative inexperience gave veteran Matt Woods a tough afternoon, snapped the first of these and Tony Priscott the second
