

Ellam dash jolts Luton

LUTON 2, BRADFORD C. 3

BOTTOM - OF - THE - TABLE
Bradford City turned the Fourth Division upside down with victory over promotion-chasing Luton.

It was their first away win for 11 months and reflects the new spirit since a young board took over six weeks ago. In that time they have collected six out of eight points.

High spot of this exciting match was a sizzling run by Ellam, who beat six men before giving Rodon the chance to score Bradford's third goal.

Within minutes there was a near carbon copy performance by Rioch, who went through to score Luton's second.

Greater strength at wing-half clinched the match for Bradford, although much of their success must go to Leek and Hannah. They schemed and worked tirelessly keeping the Luton defence under constant pressure.

Leek opened the scoring midway through the first half when Hannah side footed a free-kick for him to rocket home. Within a minute Luton were level, Read running in from the left to score. But before the interval Leek, put away by Hall, shot Bradford into the lead again.

Woods did his best to hold the lively Bradford attack, and certainly kept Rodon quiet.
