

LUTON SPARKLE

Chesterfield 1. Luton 3

AFTER a fifteen-minute goal by centre forward O'Rourke, Luton played some of the best football seen at Chesterfield this season.

Riddick and Read were the link men who kept the flow of attacks going, and O'Rourke and Whittaker did the thrusting.

Morton scored a scrappy equaliser and Chesterfield hung on, but Luton roared into the second half with goals by Riddick and Jardine in the forty-eighth and fiftieth minutes.

Luton were a side of all-out triers, with wingers French and Whittaker in great form. Matt Woods was the buttress for a sound defence.

Chesterfield had no such harmony. They tried hard, but there was little spark in front of goal, and very few imaginative ideas in midfield.
