CLUB JOTTINGS

LUTON

It is a fortnight since we last played at home and a tremendous amount seems to have happened in two short weeks. The most exciting and wonderful thing, of course, is that victory at Colchester on Monday night sent us to the top of the Fourth Division table. And with four home games and only one away game remaining we have very high hopes of staying out in front.

That 4-1 win over Chesterfield a fortnight ago today put us into the top four, a 2-1 success at Rochdale lifted us into third place, and Monday's 1-0 triumph finally did the trick and we took over the top spot from Colchester. It was a wonderful goal from Brian Keeble—the first he has scored for the club—that earned one of our most hard-fought wins of the season. We look forward to the return tussle with Colchester on Monday, May 16, although they will naturally hope for revenge.

Our away record stands as the best in the Fourth Division with nine wins, five draws, and eight defeats; a return of 23 points from 22 games which stands the team in great credit. It might have been even better had we come away from Luton with the point we felt we deserved. We went down 2-0 at Kenilworth Road on April 9th but came home with that unlucky feeling, hoping for better luck next time.

We offer the warmest of welcomes to Luton Town this afternoon for this is their very first visit to Feethams. Luton have had a lean time in recent years for it is only six or seven seasons since they were a First Division side and also Cup Finalists, but they are making a determined bid to climb again. We rate them among our most serious rivals in the promotion race and so we look forward this afternoon to a first-class match.

There is a link between the two clubs, of course, in that Colin Tinsley, a former Darlington goalkeeper, is in their ranks. We note that Colin was in the Luton team which won at Barrow on Monday and that he won star rating.
