

INGLE BREACHES LUTON DEFENCE

Bradford City ... 2, Luton ... 1

Bradford City's pressure brought them a second-half winning goal against Luton Town last night. City's transfer-listed Ingle took advantage of hesitancy in Luton's defence to move in quickly and snap up the deciding goal midway through the second half.

Luton took an early lead with a goal from Rioch, their best forward, but Bradford, cleverly prompted by Leek and McAnearney, dominated the attacking exchanges as the game progressed.

Bradford's forwards were inclined to overdo their passing, however, helping Luton's close-covering defence to recover, but Leek superbly anticipated a hard free kick from Smith to head an equaliser before half time.

A determined defence and a series of fine saves by Read held up City for a lengthy spell. Thomson headed a McAnearney effort off the goal line, Hall shot against the crossbar, and the brilliant Read made desperate saves from Ingle and Hall before Ingle got the winning goal.
