

RIDDICK ADDS POWER TO LUTON ATTACK

Barrow 3 Luton Town 0: by LEONARD BARLOW

BOUNCING INTO the top four with only their second home win of the season, Barrow did not have to go all out to crush Luton. Key man in the victory was Tony Field.

The little inside forward released by Halifax last season had a two-month trial before Barrow manager Don McEvoy decided to take him on. In this match, Field chipped in with two goals, to take his tally to five in as many games.

He got his first after only six minutes, when he fastened on to a pass from Billy McAdams, and hit his second two minutes later, when 'keeper Tony Read dropped the ball at his feet.

Field would have made it three midway through the half but for a brilliant save by Read, and in

the dying minutes the 'keeper thwarted another effort by getting up to collect a well-placed header.

However, Field was partially responsible for Barrow's other goal. He was brought down by Alan Slough in the 60th minute and Jim Mulholland scored with the penalty.

Luton had every little to offer in the first half, although John Moore and Bobby Thomson got through some hectic defensive work.

Things were different after the interval, when Gordon Riddick was brought on as substitute for the injured Dave Pleat. Riddick added fire to the Luton line and paved the way for a shot from Tony Thear, which Fred Else did well to save.

Riddick's probing enabled Rivers to net five minutes from time, but the effort was disallowed because of offside.
