BARROW v. LUTON T.

Our Visitors

by 'ONLOOKER'

A very hearty welcome to our visitors this afternoon, Luton Town. Brief pen-pictures of the playing staff are as follows:—

TERRENCE ADAMSON—Full Back: Born at Shiney Row, Co. Durham. Transferred to Luton from Sunderland in July, 1966. Only 18 years of age. He appeared last season for Sunderland in the Final of the F.A. Youth Cup Final.

GRAHAM FRENCH—Winger: Born at Wolverhampton, Graham came into prominence when playing for Shrewsbury and whilst with them he gained Youth International caps for England. Later he played for Swindon and Watford, before joining Luton in October, 1965. Can play on either wing.

ERIC GRIEVE—Half Back: His birthplace is the Scottish town of Gatehouse-of-Fleet. Was last season playing for Tarff Rovers, Kirkcowan as an Amateur and was persuaded to try the professional game in July, 1966.

FREDDIE JARDINE—Full Back: Although born in Edinburgh, he played for two seasons for Dundee before coming South to Luton in 1961. Was signed as an Outside Left, but has since made the Left Back position his own.

BRIAN JOHNSON—Winger: Born at Newcastle. His only other club was Sunderland, from who he scored his transfer in July, 1966. He also appeared in the F.A. Youth Cup Final in the same team as Terrence Adamson.

GERALD KING—Winger: A Welshman by birth, he played for his country both as a School-boy and at Youth International level. Has played for Cardiff and Torquay, from whom he was transferred in June, 1966.

JOHN MOORE—Wing Half: In his second season for Luton. Previously played for Motherwell. Made 43 League appearances and scored five goals last season, which can be said to be a satisfactory baptism into English football.

PETER MOONEY—Winger: Is an Apprentice on our Staff whose appearances last season were mainly confined to Youth Football, but on the occasions when he was called upon for Reserve Team duties, he performed well, and it is hoped that he will develop into another success. Born in Luton.

JOHN NICHOLSON—Centre Half: Another product of our Youth Scheme. Born at Bristol. Was signed as a part-time player in December, 1965, and came on to our full-time staff in June, 1966. He made a number of Reserve Team appearances last season and shows much promise.

OUR VISITORS—continued

DAVID PLEAT—Winger : Born at Nottingham. He played for England Youth Team, and also Nottingham Forest, from whom we secured his transfer in August, 1964. Was a regular member of our First Team until he had the great misfortune to break a leg. Now recovered he is determined to make his presence felt once more.

TONY READ—Goalkeeper : Born at Haydock, his first club was Sheffield Wednesday, and in 1964, he left them to go to Peterborough. Was then transferred from there to Luton in March, 1965, to show his versatility, he last season made 35 appearances in the forward line, scoring 12 goals besides 6 appearances in goal.

GORDON RIDDICK—Inside Forward : Turned professional in April, 1961, following a short period of Apprenticeship. He has been with this club since this date, making many first team appearances equally well at Full Back, Half Back and as a Forward. He was born at Langlebury.

BRUCE RIOCH—Inside Forward : Although born at Aldershot, he was brought up in Luton and represented the Town at School, also having trials for the England Schoolboys Team. He signed Apprentice Professional in August, 1963, and full Professional in September, 1964. Made 21 League appearances last season.

ALAN RIVERS—Half-Back : Born at Portsmouth, he signed Professional forms for this Club in January, 1964, after playing 3 years for us as an Amateur. He is a very well built lad who can also play with success at Centre Forward.

ALAN SLOUGH—Full Back : Another Luton boy who has graduated through the ranks of Schoolboy, Amateur and Apprentice Professional, being offered Full Terms in May, 1965. He is another boy on whom the Club will pin its faith for the future. Can also play with distinction at Wing Half and Inside Forward ; in fact, he gained County Representative honours as an Amateur in the latter position.

TONY THEAR—Centre Forward : He was born at Tottenham and joined their neighbours, Arsenal, as Apprentice Professional. He can also play at Centre Half and whilst at High-bury his appearances were divided between these two positions. He holds an F.A. Youth Cup Winner's Medal, having been on the opposing side in the Final last season against Terrence Adamson and Brian Johnson of Sunderland, now on Luton's books.

BOBBY THOMPSON—Full Back : Born at Menstrie in Scotland. He first came into prominence with Partick Thistle, and was later transferred to Liverpool for a big fee. Luton secured his services from the latter Club on the 2nd August, 1965.

RAY WHITTAKER—Outside Left : A Londoner from Bow, his only other Club being the Arsenal. He gained England Youth International Caps in 1962 and 1963 and when we were in need of a left wing, he was persuaded to join us in March, 1964. He went straight into the First Team and held his place ever since.

By CLUBMAN.

The Barrow form this season makes unbelievable reading. The record is really amazing with so much success away and home victories ever so scarce.

We had a disappointment in the last home game thanks to Wrexham's "spoiling" tactics and that left us still looking for that second League win at Holker Street. Considering that Wrexham are having a good run some people may have been happy with a point for Barrow but the side is better than that performance suggested.

They have proved this in the two away games that have followed and even the most ardent and optimistic of supporters couldn't have expected victories at both Aldershot and York City. Even a couple of points would have exceeded the expectations of many but the side pulled out that little extra and climbed nearer to that "top four."

One can forget the Press reports which suggested that the win at Aldershot was against the run of the play. The home club's officials didn't think that and in fact the points were well earned and well merited.

The same can be said for the game at York. City saw their "unbeaten at home" record crash—but they never really had a chance to retain it. Even though an "own goal" was given away to have our lads trailing Barrow always looked the likely winners.

They showed a few glimpses of the class they are able to provide and from then on it was a one-horse race.

It is to be hoped they "turn it on" again this afternoon. Luton are not having too happy a time and are still looking for their first "away" win. Let's hope they are still looking for it at 4-40 p.m. and we have notched that second home win for which we have been waiting so patiently.

LAST TIME WE MET AT HOLKER STREET

Luton's last visit to Holker Street was on 25th April, and was one of the many encounters where we saw Barrow playing into the hands of the opposition by giving the ball too much "air" when against towering defenders.

Luton's defence was effective and a 69th minute French goal gave them both points.
