## MANAGERS NOTES

Good afternoon Ladies and Gentlemen, we welcome you to Sincil Bank.

Last Saturday's F.A. Cup Tie produced a thrilling game, especially during the second half when the Imps were trailing by 3-1. Bert Loxley had to leave the field with a dislocation of the left elbow. The lads proved and produced that fighting spirit. With the Imps' supporters behind them, we levelled the score to 3-3. Ten minutes from time, with the visitors' defence under pressure, it certainly looked as if the Imps were going to be rewarded, but unfortunately a created defensive lapse allowed Scunthorpe to win.

I would like to congratulate Scunthorpe United for a very sporting and clean game, and sincerely wish them the very best of luck in the next round.

Our Reserves managed a draw, 2-2 at Spalding. Centre-half Les Moore and Dick Scott were the scorers.

Two weeks of negotiations; we finally signed Billy Cobb of Brentford, and the former Notts Forest and Plymouth player. Billy, with his endeavour and striking power, should soon become a favourite with the Imps' supporters.

Bert Loxley had his arm X-rayed after the Scunthorpe game, and it was diagnosed that he had dislocated his elbow. Since Les Moore's injury, Bert has done extremely well to fill the bill and with a big heart like his I am sure it won't be long before he is back in harness again.

Brian Heward entered hospital for a cartilage operation on Tuesday. We certainly wish Brian a speedy recovery.

We extend a cordial welcome to the officials, players and supporters of Luton Town F.C. Alan Brown their new Manager is, like myself, hoping to guide his team away from the bottom four positions.

Come on, supporters, let's hear that Imp's roar today.

R. GRAY — Manager.

### VISITING TEAM - Details

TERRENCE ADAMSON (Full-back). Born at Shiney Row, Co. Durham. Transferred to Luton from Sunderland in July, 1966. Only 18 years of age. He appeared last season for Sunderland in the Final of the F.A. Youth Cup Final. GRAHAM FRENCH (Winger). Born at Wolverhampton. Graham came into prominence when playing for Shrewsbury and whilst with them he gained Youth International caps for England. Later he played for Swindon and Watford, before joining Luton in October, 1965. Can play on either wing.

ERIC GRIEVE (Half-back). His birth place is the Scottish town of Gatehouse-of-Fleet. Was last season playing for Tarff Rovers, Kirkcowan as an Amateur and was persuaded to try the Professional game in July, 1966.

FREDDIE JARDINE (Full-back). Although born in Edinburgh, he played for 2 seasons for Dundee before coming South to Luton in 1961. Was signed as an Outside Left but has since made the Left Back position his own.

BRIAN JOHNSON (Winger). Born at Newcastle. His only other Club was Sunderland from whom he scored his transfer in July, 1966. He also appeared in the F.A. Youth Cup Final in the same team as Terrence Adamson.

GERALD KING (Winger). A Welshman by birth, he played for his Country both as a Schoolboy and at Youth International Level. Has played for Cardiff and Torquay, from whom he was transferred in June, 1966.

JOHN MOORE (Wing-half). In his second season for Luton. Previously played for Motherwell. Made 43 League appearances and scored 5 goals last season which can be said to be a satisfactory baptism into English football.

PETER MOONEY (Winger). Is an Apprentice on our Staff whose appearances last season were mainly confined to Youth football, but on the occasions when he was called upon for Reserve Team duties he performed well, and it is hoped that he will develop into another success. Born in Luton.

JOHN NICHOLSON (Centre-half). Another product of our Youth scheme. Born at Bristol. Was signed as a part-time player in December 1965 and came on to our full time staff in June 1966. He made a number of Reserve Team appearances last season and shows much promise.

DAVID PLEAT (Winger). Born at Nottingham. He played for England Youth Team and also Nottingham Forest, from whom we secured his transfer in August, 1964. Was a regular member of our First Team until he had the great misfortune to break a leg. Now recovered, he is determined to make his presence felt once more.

TONY READ (Goalkeeper). Born at Haydock, his first Club was Sheffield Wednesday, and in 1964 he left them to go to Peterborough. Was then transferred from there to Luton in March 1965; to show his versatility, he last season made 35 appearances in the forward line scoring 12 goals besides 6 appearances in goal.

GORDON RIDDICK (Inside-forward). Turned Professional in April 1961 following a short period of Apprenticeship. He has been with this Club since this date making many first team appearances equally well at Full-back, Half-back and as a Forward. He was born at Langlebury.

BRUCE RIOCH (Inside-forward). Although born at Aldershot he was brought up in Luton and represented the town at School, also having trials for the England School-Boys Team. He signed Apprentice Professional in August, 1963 and full Professional in September, 1964. Made 21 League appearances last season.

ALAN RIVERS (Half-back). Born at Portsmouth, he signed Professional forms for this Club in January 1964, after playing 3 years for us as an Amateur. He is a very well built lad who can also play with success at Centre-forward.

ALAN SLOUGH (Full-back). Another Luton boy who has graduated through the ranks of Schoolboy, Amateur and Apprentice Professional, being offered Full Terms in May, 1965. He is another boy on whom the Club will pin its faith for the future. Can also play with distinction at Wing-half and Inside-forward, in fact he gained County Representative honours as an Amateur in the latter position.

TONY THEAR (Centre-forward). He was born at Tottenham and joined their neighbours Arsenal as Apprentice Professional. He can also play at Centre-half and whilst at Highbury his appearances were divided between these 2 positions. He holds an F.A. Youth Cup winners medal.

## SUPPORTERS CLUB NOTES

The Imps can consider themselves rather unfortunate to be put out of the Association Cup at the first time of asking. Several chances which should have been taken before Scunthorpe took the lead allied with at least one defensive mistake later in the game really contributed to their defeat, a draw at least would have been a fairer result.

Anyway it is no use making excuses after the event, our main problem is a fight to get away from the bottom four positions in the League. Our lads are fighting hard, and eventually we shall have a winning sequence.

The Supporters of this club must realise that they have a big part to play, Ron Gray cannot do the impossible in a short time, without he has the backing of much improved attendances at each home match. If only City followers will turn up in sufficient numbers to give him a little more financial aid, he will no doubt provide them with a match winning combination before the season ends. Unfortunately Bert Loxley suffered a painful shoulder injury, we hope it is not as serious as it appeared to be, and that he will make a quick recovery without too much discomfort for he has filled the centre-half problem very gallantly.

This afternoon our visitors are Luton Town who were founded 1885 by the amalgamation of Luton Wanderers with Luton Excelsior, they were the first club in the south to employ professional players, played Southern League 1894-6, elected 1897 to League Division II. They are popularly known as the Hatters or Straw-plaiters and their ground at Kenilworth Road has a record of 30,609. They, like ourselves, are having a struggling time just now.

May we have a good game this afternoon and a win for the 'Imps'.

The Supporters Club give a warm welcome to Billy Cobb and hope he will have a long and successful stay with a Club who are aiming at a promotion team in the near future.
