

LUTON WASTE KEITH

CHESTERFIELD 0, LUTON 0

CHESTERFIELD'S 21-year-old goalkeeper, Malcolm Brunt, was taken off with a badly gashed head after only 20 minutes of this dull match, but still Luton could not win.

Until Brunt's injury, Chesterfield looked like being swamped by Luton's fast inter-changing forwards. Then they forced their way back into the game and looked more dangerous.

But Chesterfield were unable to keep up the pressure and it was only a determined second-half defensive battle with Gerry Clarke in goal, which earned them a point.

Luton always looked the more efficient side, yet they tended to shoot from long range rather than work the ball into the middle where Keith Allen was always lurking.
