LEAGUE DIVISION IV

VOL. III. No. 5

Sat., Oct. 7th **Chester v. LUTON TOWN** Kick-off 3-15 p.m.

NOTES by The Manager

Welcome to all Chester supporters for
our game this afternoon versus Luton.

I realise that after last week's game
against Aldershot, things look a little
more severe than they really are. Last
Saturday's game was such that, although
I felt basically we were the better team,
the luck was with Aldershot; we should
have gone in at half-time three goals up.
However, they had the luck and hit a
"purple patch" in which two goals were
scored from fantastic angles—and, of
course, one felt that then the luck was
against us. I am extremely hopeful that
we can recoup the two points, lost last
week, to-day.

Our playing staff is still under strength
with the players who are still not yet
match-fit, and the three players who have
been placed on the Open-to-Transfer List
—Ryden, Reeves and Singleton. I feel
that our immediate need must be a strong
defender and a goalscoring inside-
forward.

I am sure that you are all aware that
our Chairman, Mr. Rowlands, will be
entering hospital to-morrow for an
operation, and we all sincerely wish him
a speedy and complete recovery, and we
hope that he is soon with us again.

Yours sincerely,

P. B. HAUSER, Manager.

City in July, 1967; has a reputation of
