

# Luton get four-goal burst *67/68*

Luton 5      Doncaster 3

**S**PEEDY Luton shattered Doncaster with four goals in the first 18 minutes last night. They have now scored 10 in two matches.

A disputed goal by **Graham Watson** interrupted their progress, but **Bruce Rioch** put them four ahead to lead 5-1 after 33 minutes.

Luton, following up their 5-0 win at Exeter, might have been more ahead as the Doncaster defence had little idea of how to cope with the speed and accuracy facing them.

Doncaster did not allow the situation to sap their fighting spirit.

They tightened their defence in the second half and even launched some raids

There was no doubt that Luton slackened off in the second half, and goals from **Alan Warboys** and **Brian Kelly** in a four-minute Doncaster burst near the end made the score more respectable.
