NEWS and VIEWS

The thrills and excitement of Cup Football once again and so we welcome to the County Ground, our friends from Luton Town.

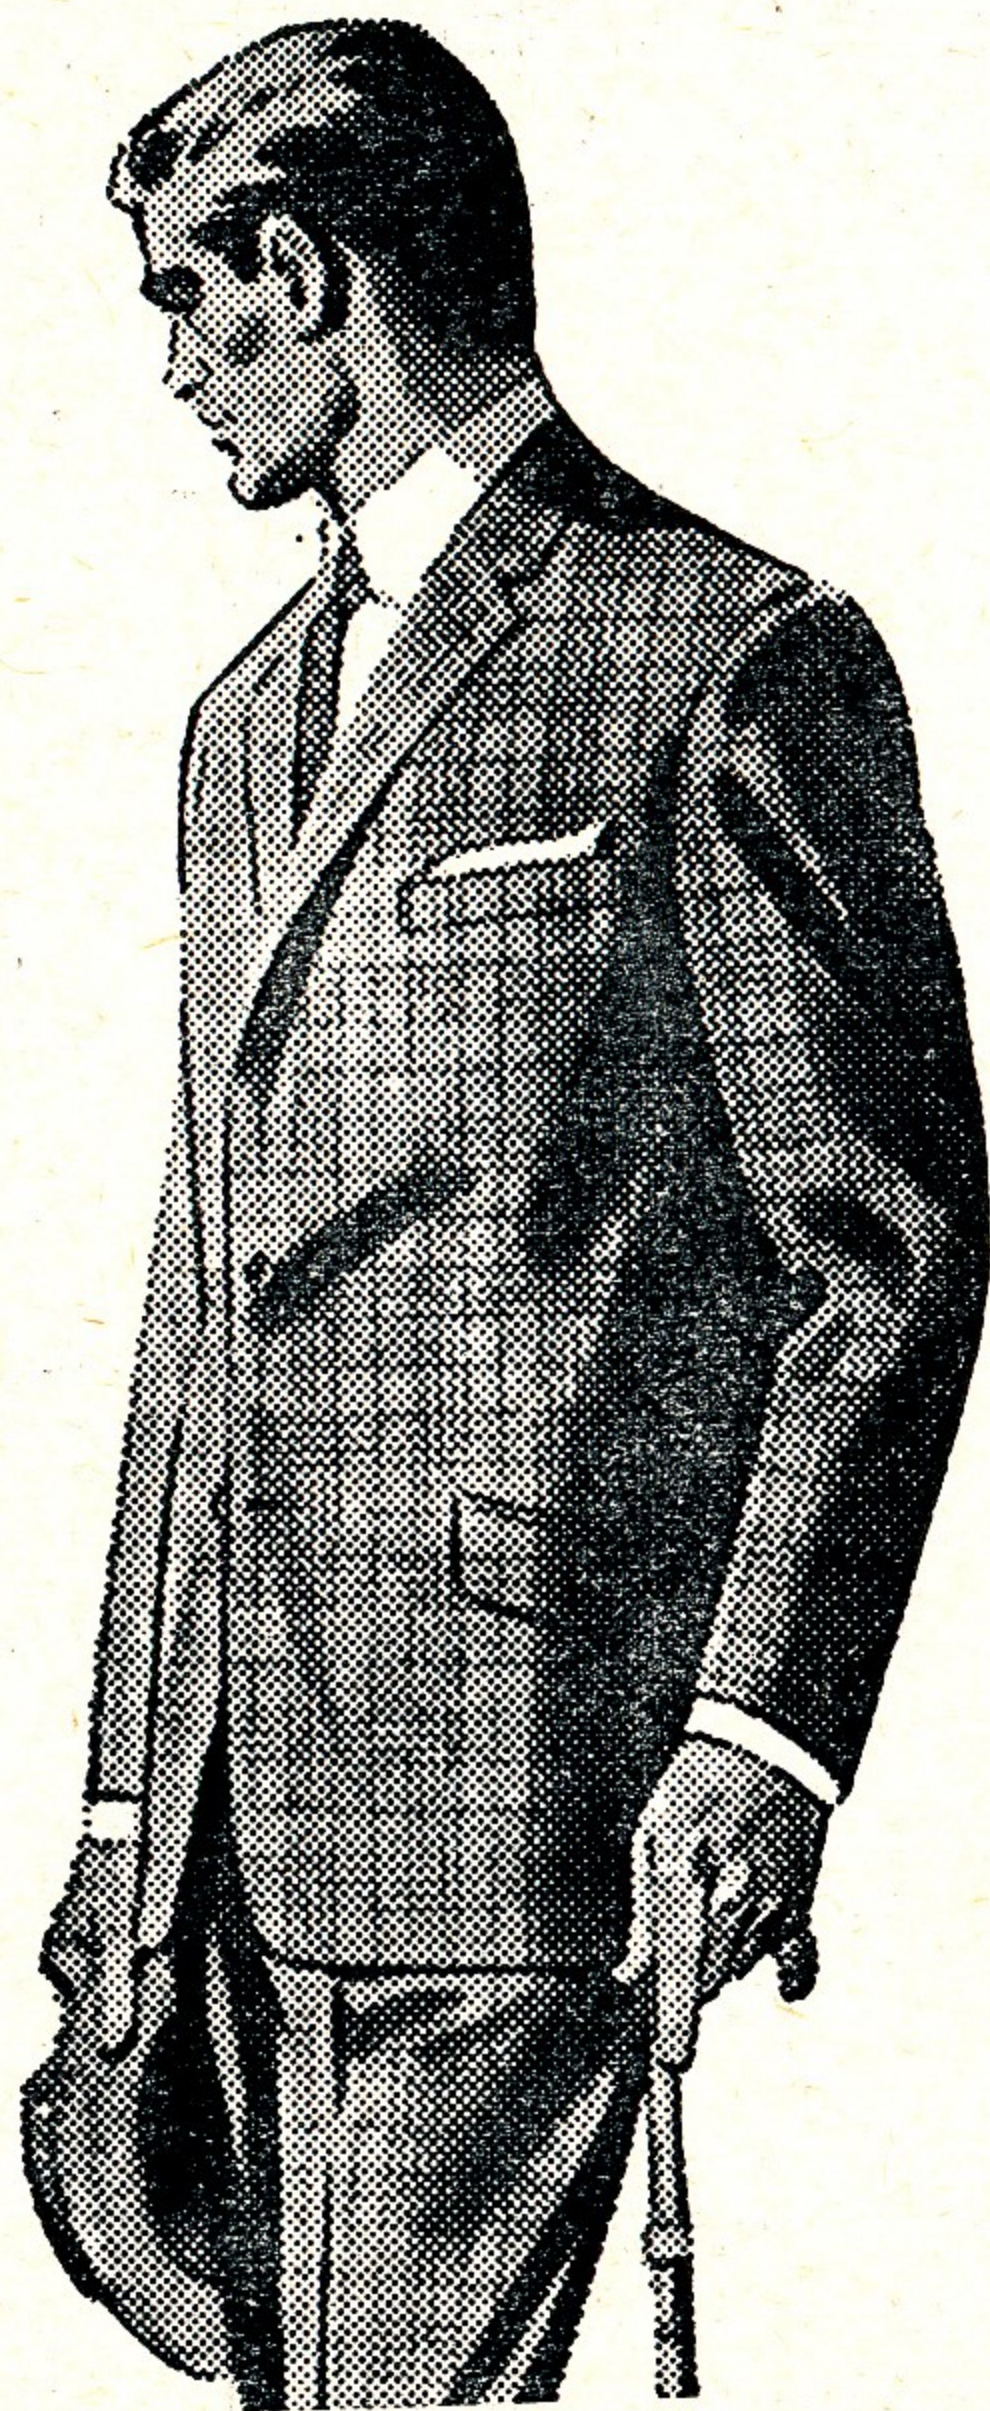

The two clubs have met before in the competition. In 1951-52 they ended one of our finest cup-runs, but in season 1962-63, we visited Kenilworth Road, after two postponements due to frost and snow and won by three goals to one, only to be defeated a few days later on the County Ground by the famous Everton team five goals to one.

Like Swindon Town, Luton Town (The Hatters) were members of the Southern League from 1900-1919 and were one of the originals when Division III South was formed in 1920. Actually they were our opponents on the County Ground, for the opening fixture in the new league. The result 9—1 in our favour. The following Monday, Swindon Town, lost 0—4 at Southampton and in the return fixture at Luton were defeated 0—2.

Luton Town finally gained promotion to Division II by winning the Championship of Division III (South) in Season 1936-37. When football was resumed after the World War II in 1946, they continued in Division II until Season 1954-55, when as runners-up they gained promotion to Division I. They then became one of the leading clubs in the country even appearing in the Final of the F.A. Cup. Up to 1959 Luton Town had gone up and up, and never once been relegated.

Unfortunately with defeat in the Cup, came a quick decline and in Season 1959-60, they were in twenty-second position with 30 points and goal average of 50-73 and so lost Division I status. As so often happens, when a club strikes a bad patch, matters did not improve and in Season 1962-63, Luton Town

found themselves in twenty-second position again, but this time in Division II, points 29, goal average 61-84.

We actually changed places with Luton Town that season and went into Division II. As supporters know, Luton Town fell even lower and are still members of Division IV.

They are enjoying a very good season and at present occupy fourth position with the following record:

Home						Away					
P	W	D	L	F	A	W	D	L	F	A	Pts
23	11	0	0	29	6	3	5	4	20	20	33

Swindon Town's record to date, reads as follows:

Home						Away					
P	W	D	L	F	A	W	D	L	F	A	Pts
25	9	2	1	27	6	1	7	5	14	18	29

Like Swindon Town, Luton Town are in with an excellent chance of promotion. Their home record is one hundred per cent and away from home they have gained eleven points from twelve games. We have nine points from thirteen games, so they will provide strong opposition. The game will be a keen one and may even be as close and keen as that last week against Torquay United. We hope it is our turn to win. While it is the wish of everyone that we gain promotion, a cup run can give great enthusiasm and confidence to the team. It was quite different last season, when we did so well in the cup, but had such poor results in the league, but Cup success creates great interest.

It is interesting to note the careers and those with some success, of our ex-players. Spectators recognized "Big Bill" Atkins in the Stockport County team. He is still in the goal scorers list. Bobby Woodruffe is a regular in the Division II team Crystal Palace. Cliff Jackson appears frequently, but of late has filled the post of substitute. Jack Howarth is still

scoring goals in the Division IV side Aldershot. Keith East, recently transferred from Stockport County to Bournemouth and B.A. and on Saturday last he scored one of the two goals, by which his team won at Watford. Eric Weaver, has just been transferred from Notts County (whom he joined from Swindon in summer) to Northampton Town for a fee stated to be in the region of £10,000. He also scored one of his teams two goals at Tranmere.

The greatest surprise is the form of Frank Large. Recently acquired by Leicester City from Northampton Town—fee £20,000. Having served, most faithfully several clubs in Division III and IV, he is now playing regularly in Division I. Many of you saw "Match of the Day" on B.B.C.1 last week. Commentator David Coleman referred frequently to his skilful play and there is no doubt Frank made the first goal, by a splendid square pass and scored a fine second goal. Unfortunately he was on the losing side, due mainly to excellence of West Ham United.

It is good to see him doing so well. We wish him every success. He was a great hearted player, always giving one hundred per cent effort and a fine club man and one who never asked for a transfer.

Ernie Hunt has regained his place in the Everton team after an absence of eight weeks.

Michael Sumerbee is hitting the "high spots" at centre forward in one of the seasons most successful teams, Manchester City, although they lost at home to West Bromwich Albion. He was named in the last "English Squad", and is often referred to as being on the fringe of "International Honours". Another great-hearted player, who never lacked effort. He too seems to have raised his game, and acquired greater skills. Good Luck Mike.

SUPPORTERS *CLUB NOTES*

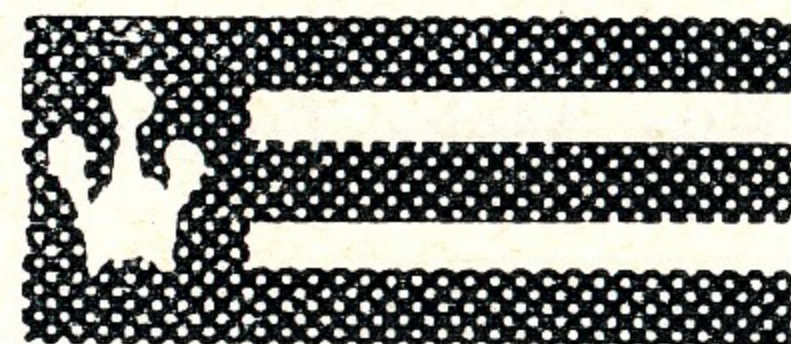

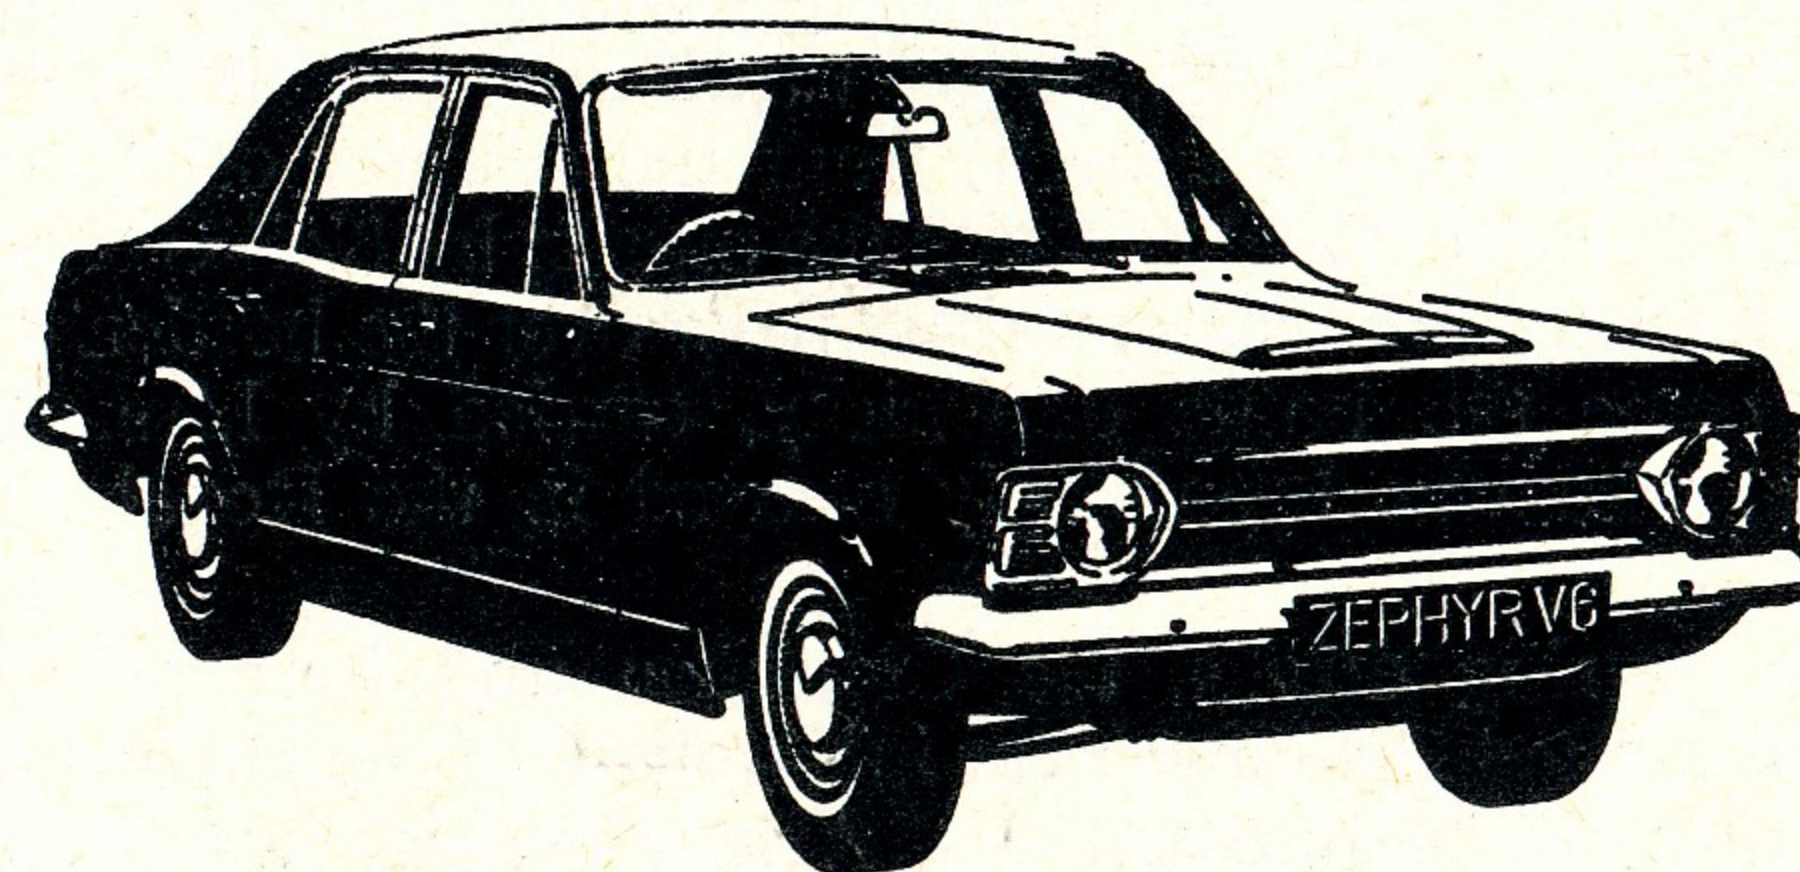

With the New Year comes the crunch proper of the F.A. cup ties. The rounds up to Christmas normally, revolves around the elimination, with a few exceptions, of the non-league teams. Not that we decry the non-league teams. The tilts of the Davids against the Goliaths always creates interest, brings fame to the few and allows the British football supporters to indulge in the good old British custom of encouraging the underdogs.

Today, we welcome the team and supporters of Luton Town to the County Ground. Luton Town have spent some time in the wilderness of Division IV, after tasting the pleasure pots of Division I. This season, it would seem on the cards that promotion to Division III is a distinct possibility. Accordingly, we must expect a serious tussle this afternoon. A team on the crest of success must never be under estimated, particularly in adjacent Divisions. The half-time blank scoresheet in the last round, against Salisbury, is ample warning of this. And today, we must expect Luton Town to keep going for the full 90 minutes, whereas, the last 25 minutes saw Salisbury fade out. Anyway, we look forward to a good, clean and exhilarating game. Any Luton Town supporters who wish to drown their sorrows if we win are welcome in our Social Club (the bar opens immediately after the match and hot snacks are available) and we would like them to stay for the evening Party Night. If a draw results, they are equally welcome to tell us what will happen in the replay (all information will be passed to Danny Williams) and if they win, they can help us drown our sorrows.

The Social Club welcomed in the New Year in traditional Scottish style, as most of you will have seen in the "Evening

SUPPORTERS' CLUB NOTES—continued

Advertiser". We had the very professional help of Angus Wyse, who used to play wing half for Swindon Town in 1932 and wields a very mean drone on the bagpipes. Assisted by one of his pupils, the very attractive Miss Patsy Lawrence, of Blunsden, the Old year was formally piped out and the New Year piped in, together with the traditional Haggis (specially imported, no expense spared) from the country of its birth. Borne aloft, immediately behind the pipers, by Neil Gallacher, one of our very popular members from over the border. Close behind came the bottle of whisky, carried by Mrs. Anne Renicks, who was becomingly arrayed in the Royal Stuart tartan.

After pouring drinks, the Chairman and four principals formally toasted the New Year in Gaelic and the Haggis, after being formally addressed by Angus Wyse, was unceremoniously carved up and distributed. For the benefit of those members who missed this junketing, the pipers were engaged immediately for next New Year's Eve. Make Tuesday, the 31st December, 1968 a special date.

To my astonishment, we still have supporters missing out on Club functions "because they didn't know about it". This is surprising, as a monthly Broadsheet is printed and distributed free, by our doorman, at the beginning of each month and a brief summary of the forthcoming entertainment is always included in these Notes. Accordingly, do not blame us if we take the view that members have only themselves to blame. However, as from today, these Notes will include a full monthly programme at the beginning of each month. So, tear today's page out, stick it in your wallet, handbag, or what have you and be with it.

The funds for the Handicapped Children, stemming from the Boxing day match reported in our last Notes, are still rising and we would say a big "Thank You" to Mr. B. W.
