CLUB NOTES AND COMMENTS

Almost five years ago, Wednesday 22nd May, 1963, we found ourselves in exactly the same position as we do to-day, just one game to play with promotion to the Third Division hanging in the balance. On that occasion, a single goal scored by Frank Lord at the Gresty Road end of the ground proved decisive and as the final whistle sounded Gresty Road erupted, for the club had achieved promotion for the first time in its long history.

A victory to-day could see us back in the Third Division but we shall have to wait for the result of the game between Bradford City and Doncaster Rovers to be sure.

We welcome as our visitors for this vital game, Luton Town, already assured of promotion and also Champions of the Fourth Division, they have proved themselves well worthy of the title and it will be an extremely hard game to-day.

Our last three games produced just two points, once again Wrexham proved to be a bogey side at Gresty Road, Luton inflicted upon us our heaviest defeat of the season and last Friday evening we earned a point at Southend. The draw at Southend removed them from being promotion contenders. In each of our away games at Luton and Southend we had a goal disallowed for some obscure reason, Gordon Wallace at Luton, this being before Luton had scored and Tommy Lowry at Southend. If only those had counted the position would have been somewhat easier.

Despite the distance involved and an evening kick-off which complicated travel arrangements there were some Crewe supporters at each game, it is known that some took part of their annual holiday to be there. Such support does not go un-noticed by players and club officials.

It has been a hard season as always, success is never easy to achieve however hard you try, it is unfortunate that although we have been in the leading group for the majority of the season that the gates have been so low in comparison to the other promotion contenders.

As a final note to this season, what could be more appropriate than the following which appeared in the programme when we played Exeter for that vital game:-

"The boys know what they have to do, so give them all the encouragement you can".

SUPPORTERS' JOTTINGS

Following close upon the victory which assured Luton of the championship, a sharp reminder that life is tough at the top with Bradford City inflicting upon them their first home defeat of the season bringing to an end a run of 19 games without defeat and also conceding their first double of the season. Our game at Luton attracted their highest gate of the season, 18,904.

Two players should complete maximum appearances this season, Willie Mailey and Mick Gannon, so far as Mick is concerned it will be the second successive season he has achieved this. Peter Leigh, who sustained a muscle injury in the home game against Wrexham, had to miss the Luton game and will be just one short of the maximum.

Gary Talbot is assured of being the leading scorer this season with 19 goals to his credit and Gordon Wallace needs just a single goal to take him into double figures.

During the season there have been two departures, John Archer to Huddersfield Town and Ian Sandiford to Wigan. New signings who have appeared in the side have been Tommy Curley, John Edwardson, Kevin McHale, Don Ratcliffe, Alan Tarbuck and Gordon Wallace. The title of unluckiest player of the season must surely go to Graham Mathews who broke his leg in the opening game of the season against Chesterfield, having come on himself as a substitute. Although he has not been able to play since he has resumed training.

What other highlights have their been this season? Peter Leigh scoring his first goal for the club in his 241st game, Eric Barnes breaking the club record, being the first team to defeat Swansea at home, our first ever away win against Port Vale and the first team to prevent Southend United from scoring in a league game.

Several club records have also been broken this season, some may appear obvious, to test your memory these appear on page 11.

Next Monday evening we have the Final of the Cheshire Bowl at Gresty Road against Stockport County, kick-off 7-30 p.m. and on Wednesday evening Johnny King has his testimonial game with a game between Crewe Alex past and present players. So far as is known, these will include Brian Williamson, Stan Keery, Billy Haydock, Albert Harley, Dave Ewing, John Archer, John Mahoney, Frank Lord, Ron Smith, Barrie Wheatley and Terry Harkin. The kick-off will be at 7-30 p.m.

Finally, how have Luton fared on their three previous visits to Gresty Road, each time they have returned pointless being defeated 1-0, 2-0 and 3-1, so if the game runs true to form we should, with your vocal support, achieve what we all so earnestly want - PROMOTION.

Hon. Programme Secretary,
H. FINCH, 90 Moreton Road, Crewe.
