## News and Views

This afternoon we welcome Luton Town who are making their fourth visit to the Victoria Ground.

Luton were founded in 1885 by amalgamation of Luton Wanderers with Luton Excelsior. They were the first club in the South to employ professionals and gained election to the League (Division Two) in 1897. Luton's most successful period was from 1955 to 1960 when they were in the First Division. During that time, in 1959, they appeared in the F.A. Cup Final but lost 1-2 to Nottingham Forest. The Bedfordshire club holds the unenviable record of having dropped from Division One to Division Four in five years—1960 to 1965. Last season they finished as Fourth Division Champions with 66 points.

This season Luton are placed 8th in the Third Division table. At home they have scored 28 goals and dropped only one point in 10 games, but in away fixtures they have scored only 4 goals which has brought them one win, two draws, and six defeats on opponents' grounds. It is their poor away form which is preventing them from occupying a higher place in the League.

This is our second League meeting with Luton Town this season—in the first fixture at Kenilworth Road on 12th October Luton won 3-0.

Previous results against Luton have been as follows:

	Home		Away	
	F	A	F	A
1965-66	2	0	1	2
1966-67	2	1	2	0
1967-68	2	1	0	1
1968-69			0	3

One of the stars of the Luton team is inside forward Bruce Rioch who is rated in the £100,000 class.

After the disappointing display in our last home game against Tranmere Rovers we

hope to get back on the winning trail again to-day. A couple of wins now would lift us well clear of the danger zone in the League table.

Today we may see our new signing Malcolm Thompson making his League debut. He was in the side which played at Gateshead last Monday night and manager Mr. McLean may well have decided to give him a chance in the League side today.

Our Youth Team have been rewarded for their great victory over Newcastle United with another home draw in the third round of the F.A. Youth Cup competition. The date for this game has not yet been fixed, but we will be hoping for a good crowd to come along and see the side as they are playing some really good football. Their latest success was a 3-2 win over the Durham County Youth side at the Victoria Ground last Monday night.

Our reserve team won 1-0 at Reyrulle last Saturday and are still in second position in the Wearside League.

Our next Third Division game is away to Barnsley on Saturday, 21st December, and this is followed by a visit to Mansfield on Boxing Day, 26th December. The next League game on this ground will be on Saturday, 28th December, kick-off 3 p.m., when Orient will be making their first ever visit.

On Monday night, 16th December, we will be at home to Northern Premier League side Gateshead in the second leg of the semi-final Durham Senior Professional Cup tie. The score in the first leg at Redheugh Park last Monday night was 0-0.

The records played before the game and during the half-time interval are available from Bruce Moore Ltd., of York Road and Lynn Street, Hartlepool.

The illustration on the front cover of this programme is reproduced by kind permission of the Northern Daily Mail.

### PEN PICTURES

**KEITH ALLEN Centre Forward**  
 Signed from Stockport County in exchange  
 for Derek Keven and has previous spells  
 with Portsmouth and Grimsby Town.

**TERRY BRANSTON Centre Half.**  
 For him last season was a personal triumph  
 because he fulfilled his ambition of making  
 the full quota of League appearances.

**IAN BUXTON Inside Right.**  
 When Rodney Green went down with  
 cartilage trouble early last season, there had  
 to be an immediate search for another  
 striker, and Buxton was signed from Derby  
 County for about £11,000.

**MAX DOUGAN Right Back.**  
 With the arrival of Terry Branston, the idea  
 was to convert Dougan into a right-half,  
 but he finally settled in at right-back where  
 he was a regular for the greater part of last  
 season.

**GRAHAM FRENCH Outside Right.**  
 Has previously played for Shrewsbury,  
 Swindon, Watford and Wellington before  
 joining Luton in October 1965. Has several  
 Youth International Caps for England.

**MIKE HARRISON Outside Left.**  
 Began his first-class career with Chelsea,  
 from which club he moved on to Blackburn  
 Rovers where he established a first-team  
 place.

**FREDDIE JARDINE Left Back.**  
 Given a free transfer by Dundee it was after  
 showing his paces in practice matches that  
 he was finally converted into a highly useful  
 defender.

**BRIAN LEWIS Right Half.**  
 In the temporary absence of Ian Buxton,  
 Lewis is destined to start at inside-right  
 where he had considerable experience at  
 Portsmouth and Coventry.

**BILLY McDERMENT Left Back.**  
 At one time last season he was almost the  
 permanent substitute and in all, managed 20  
 first team appearances which qualified him  
 for a championship medal.

**TONY READ Goalkeeper.**  
 Begins the season, as he did last time, when  
 he missed only three matches, as the first  
 choice goalkeeper.

**BRUCE RIOCH Inside Left.**  
 Is a natural footballer whose skill developed  
 quickly last season, when he was easily the  
 Club's leading scorer even though he was  
 used as the midfield link.

**LAURIE SHEFFIELD Centre Forward.**  
 One of the Town's big close season signings  
 from Oldham Athletic. Born in Swansea he  
 previously been with five League clubs.
