

LUTON DRAW AS DAVIE INJURED

By A Special Correspondent

Luton ... 0 Southport ... 0

Unashamedly, Southport came looking for a point last night, packing their penalty area from the start and denying Luton the clear-cut shooting openings they were seeking.

At the same time, Southport were dangerous enough in their breaks to suggest that it might have paid them to be more ambitious.

Out of luck

Luton will look back on this match as one of their most unlucky ones. Apart from the loss of a vital point, they were hit by injuries. Jardine stayed off for the second-half with ankle trouble, Buxton taking over.

More serious, 11 minutes from the end Davie was carried off the field after a collision with Andrews. Lewis took over in goal and made a couple of smart saves.
