## CLUB COMMENT

### GAME TO REMEMBER?

This afternoon should produce a game to remember. Luton Town having dropped only one point from their opening six matches have made a wonderful start. We, with eight points from our six matches are pleased with our entry again into Third Division football and mindful of the fact that victory for either side today could make a vast difference to our following fortunes.

If Luton win this one, and they have a 100 per cent away record and have yet to have a goal conceded by them away from home, they will move five points ahead. If victory be ours we pull the margin between us to only one point.

It is one of those strange facts in football that of our six meetings at home and away since the 1939-45 war we have won four and drawn the other two. In fact we are the club to have last inflicted a home League defeat on Luton. This was at the end of season 1967/68 when Luton gained promotion and we just missed it. We are now back

together with Luton no doubt wanting very urgently to break this sequence of results that have mostly gone our way, and let us face it, we have a fight on our hands.

### NEW SIGNINGS

Luton, on their return to the Third Division last season finished third behind promoted Watford and Swindon Town. They have already shown that they are going to be a power to be reckoned with and last month spent something in the region of £55,000 to bring Chris Nichol from Halifax Town and Matt Tees from Charlton Athletic, to strengthen the side.

This, of course, is in addition to several thousands of pounds that has been spent on other players in the side, and Luton are seeing the right type of results for their investments.

Previous games at Valley Parade, and at Kenilworth Road, for that matter, have produced some good football and entertaining fare, and there is certainly no reason why this should not be the case again today.

## PICTURE PERSONALITY

No. 2—Mr. JIMMY WHEELER  
(Team Manager)

Photograph reproduced by  
courtesy of the Yorkshire Sports  
Middlesex.

Born at Reading, Mr. Wheeler attended the E.P. Collier Grammar School, where he played for the school side, gaining representative honours. He played for Reading Boys, and Berks., Bucks and Oxon Boys, as well as having International trials at schoolboy level.

On leaving school, Mr. Wheeler joined Huntley and Palmers, a works side, as an amateur, and was with them for two years in the Spartan League. During this period he captained Berkshire Boys in the National Association of Boys' Clubs Cup, leading them to the Final in which they defeated Manchester at Hayes,

He also had a Youth International Trial, playing for the South against the North, and his displays did not go unheeded by Reading who signed him as an amateur in May 1952 and then as a professional in August 1952.

This proved to be the start of a long association with the Third Division club, starting under the managership of Mr. Ted Drake, the former England and Arsenal centre forward, and ending when he came to Valley Parade in June 1968 to fill the vacant team manager's position after relinquishing his post as assistant to the then Reading manager, Mr. Roy Bentley, the former England and Chelsea forward.

In the space of ten months, under Mr. Wheeler's keen, intelligent and respected guidance, the club won promotion for the first time in 40 years—a notable achievement and, we hope, the first of many successes under Mr. Wheeler.

Mr. Wheeler, his wife Suzanne, and their son, Mark, aged two and a half years, are now firmly settled in their new home at Frizinghall.

**LUTON TOWN FC**

Founded in 1885 by the amalgamation of Luton Wanderers with Luton Excelsior, Luton were first elected to the Football League in 1897 to the Second Division. They failed to gain re-election in 1900 and were not re-elected until 1920 when they became founder members of the Third Division.

Their Kenilworth Road ground is 112 yards by 71 yards and the club playing strip is composed of white shirts, black shorts and white stockings. Their manager is Mr. Alex Stock, a former inside forward with Queen's Park Rangers, and who was their manager for many years. He has also been manager of The Orient and Yeovil Town, and assistant manager of the Arsenal.

This is the club's 46th season in League peace time football, and before the start of the present season had played a total of 1,886 matches, winning 748, drawing 438 and losing 700 for a goals tally of 3,151 for and 2,939 against. Their points total was 1,934.

Their record attendance is 30,069 against Blackpool on March 4th 1959 in a sixth round FA Cup tie, while the record receipts of £6,159 were established in another FA Cup sixth round game against Arsenal on March 8th 1952.

### LUTON'S LAST VISIT

#### Bradford City 2, Luton Town 0

Luton last came on December 2nd 1967 with eight successive victories behind them, but they had to admit being second best this time. Both sides were on 28 points with Luton having played three games fewer and we drew first blood in the ninth minute when Paul Aimson took advantage of a defensive mix-up to score.

We did most of the attacking and Charlie Rackstraw put us two up in the second minute after the interval when his first shot struck Bruce Bannister and rebounded for him to score at the second attempt.

Towards the end Luton came more into the picture with Hugh McLeish hitting a post, but by then the game was well and truly won.

### TODAY'S MAN IN CHARGE

Making his first ever visit to Valley Parade is Mr. Clive Thomas, the 33 year old general secretary of the Boys Clubs of Wales, after having recently been their sports advisor.

Mr. Thomas, who started refereeing at the age of 16, was in charge of the Arsenal v Glentoran European Fairs Cup first round, first leg, on Tuesday night and has been on the FIFA list for three seasons.

This is Mr. Thomas's fourth season as a Football League referee which means he was only 29 when he went into the middle to become one of the youngest, if not the youngest, League referee at the time.

Mr. Thomas lives at Treorchy, Rhondda, in Glamorgan, and before being a League linesman for two years, refereed in the Rhondda League and the Welsh League.
