

LUTON BACK ON COURSE

69/70

Luton 5, Bradford City 0

AFTER meandering about uncertainly in recent matches Luton suddenly found peak form against a team whom they had not beaten in seven previous meetings.

In 13 minutes' the hapless Liney had to pick the ball out of the net twice, with Tees and McDonald the marksmen.

For a time City were able to mount pressure which, however, foundered against the fine covering of the Luton defence.

Even so they were unlucky immediately before halftime when Ham hit a post and immediately following the clearance Collins swept the ball in for Luton's third goal.
