

Luton wing star is out

Luton 2, Rotherham 1
BAD news for Luton after this laboured victory was that star winger Graham French will miss today's promotion battle with Reading.

F r e n c h limped off, seven minutes from time, with a recurrence of hamstring trouble. He was replaced by Mike Harrison, who is likely to be the stand-in today.

Rotherham were disappointing in that they never had a grip on the game. And Luton failed to take most of the chances they created.

Quick

Kelth Allen headed Luton ahead, then Trevor Swift came along with a quick equaliser.

Fortunately for Luton, Alan Slough put them ahead again, shortly before half time.

The second half developed into a battle between the Luton attack and the stubborn Rotherham defence. In the end, the decision went to Rotherham, but it would have been different had half chances been accepted by Allen, Malcolm McDonald and Viv Busby.
