

Luton nearly steal points

By PETER WINDSOR

Luton 0 Norwich City 0

NEITHER Luton nor Norwich are likely to be among the front runners in the Second Division this season.

Newly-promoted Luton, anxious to make a good impression, in their first home game, looked the more dangerous. But they had little bite in attack and a sound City defence held out without too much difficulty.

Malcolm McDonald was the Luton forward who seemed likeliest to score. He went close twice early on and forced Norwich 'keeper Kevin Keelan to a brilliant save.

The other Luton forwards had a mediocre afternoon. David Court had a quiet game and the two recruits from Manchester United Jimmy Ryan and Don Given faded away after a bright start.
