

UP, UP AND AWAY...

HIGH-FLIERS these footballers, if the Luton-Norwich match at Kenilworth Road on Saturday was anything to go by. Top left, Luton's Malcolm Macdonald (left) and newcomer Don Givens move in menacingly on goal with the Canaries's defence looking slightly ruffled.

Above, Macdonald is in the thick of things around the Norwich goal again but this time goal keeper Keelan is on hand to foil him. Of course, a footballer's life has its downs to go

with all those ups, as Roger Hoy finds below. He receives treatment from trainer Reg Game after a tackle from Norwich's Black, but got up to play on.
