

LUTON CRUISE TO VICTORY

Luton ... 3 Workington ... 0

Class usually tells and so it proved in this League Cup tie at Kenilworth Road last night when Luton won without straining themselves.

Even so, Fourth Division Workington could look back with some pride on having made a good fight of it.

They did not droop when Givens gave Luton the lead in the ninth minute and held Luton until half-time. Givens and Goodfellow of Workington were booked in this period.

What probably turned the game firmly in Luton's favour was the substitution of Jim Ryan for Tees at the start of the second half. Immediately, he laid on a goal for MacDonald and with 14 minutes left Givens headed home gloriously from a centre by John Ryan.
