

How about that then!

GOAL!

Sheffield Wednesday were the unfortunate victims of a post-match reaction at Hillsborough on Saturday. Luton were determined to erase the memory of their slim defeat against Arsenal and they did it in no uncertain manner. Malcolm Macdonald whacked in three and he is pictured above beating left back Burton and goalkeeper Grummitt to the ball to notch his second

The two men who destroyed Sheffield Wednesday with five goals are pictured (above) looking pretty pleased with themselves after hammering another nail into the home side's coffin. Macdonald raises his right arm in triumph after a fine goal and Givens is ready to congratulate him

GOAL!

Wednesday goalkeeper Peter Grummitt flounders despairingly and is beaten for the fourth time in the game. On this occasion it was Don Givens (out of picture) who was responsible for his discomfort.

GOAL!

Harold Wilcockson (above) appears to be balancing the ball on his head as Don Givens challenges but there was no trickery involved when Macdonald (below) swooped in to slam Luton's fifth goal
