

SUPER DON WOWS 'EM

By ROY BENTLEY

Luton 2, Bolton 0

NAT LOFTHOUSE, who knows a little about nodding in spectacular goals, called it "the greatest I've seen for a long time." And Alec Stock labelled it "a beauty."

The two managers were talking about Luton's second goal — a rocket header by Don Givens from John Ryan's overlap and fierce cross in the 23rd minute.

Bolton manager's words of praise for Luton began and ended on that goal. He was convinced that with better shooting the Trotters would have strolled home.

Lucky

A below-best Luton did just about enough for both points, although they were lucky to hold on to their no goals-against record in home League matches.

Two of their brightest boys, Malcolm Macdonald and Chris Nicholl, did not come top of the class. But Nicholl gets a good mark for his ninth minute goal, headed from Court's corner.
