

'Mac' hots it up for Hull

By ROY BENTLEY

Hull 0, Luton 2

THE after-match quote from Hull player-manager Terry Neill was: "If I talk when we have lost, it can only sound like making excuses, so except to say Luton were the better team and deserved to win I'm keeping quiet."

Neill had no views to offer on the run-around he received from speedy striker Malcolm Macdonald.

Most of Macdonald's 16 goals this season have been of the spectacular variety—a tremendous left-foot shot after a sizzling sprint.

He had to be content with a headed goal this time.

Givens got the other.

Man-of-the-match was Alan Slough. "No winger has passed Slough this season," was Luton boss Alec Stock's proud boast.
