

Hatters conjure a point

By ROY BENTLEY

Luton 3, Carlisle 3

A RALLY like that is something you must expect from a team near the top of the table," said Carlisle Bob Stokoe after home men Luton had plundered a point.

"But we were three up . . . just say I'm disappointed," added Stokoe who won't be too severe on his men for dropping a point.

Carlisle, a big, brave and bold side, had soaked up the rain as well as Luton's first-half fury to snatch superb long-range goals from Derek Hemstead and Chris Balderstone.

Comeback

Winger Dennis Martin got their third following a corner early in the second half.

Then came the Luton comeback. Jim Ryan slammed the first and Alan Slough the second before Malcolm Macdonald got his reward for a string of first-half near misses.

But Mac's goal didn't come until the 89th minute and climaxed a 17 minute, three-goal blitz by the Hatters.

Not bad for Luton's top scorer who notched his 17th goal of the season—after having two teeth out at a two hour session on Friday with the dentist. No wonder they call him "Super Mac."
