

KEEN POPS UP WITH STUNNER

By PETER WINDSOR

LUTON moved nearer Division One with as smooth a victory over Watford as they have ever had. The lone goal certainly does not indicate the measure of their superiority.

Once skipper Mike Keen had headed them ahead in the 28th minute it became clear that Watford had neither the

Watford 0 Luton T 1

imagination nor skill—Scullion apart—to pull back the deficit.

So marked was Luton's superiority that in the end, they were toying with their opponents.

Yet the visitors' elevated League position seemed to hold few terrors for struggling Watford in the early stages.

Luton were then hesitant in the tackle, uncertain in control and downright inaccurate in distribution.

Unlucky

When Watford on one rare occasion decided to keep the ball on the ground a grand opening was engineered for Tom Walley who was unlucky to see his shot flash past the post with Read hopelessly beaten.

Stewart Scullion prompted this attack and was the one forward to give the visiting defence any trouble.

After Watford had forced three quick corners Luton made a smart move out of defence and earned a corner kick themselves. A profitable one it proved to be.

Jimmy Ryan floated the ball into the middle of the goal and with Walker challenging vainly, Mike Keen flicked it into the net.
