

FIERY FERN CRACKS THE LUTON DREAM

By ROY BENTLEY: Luton 1, Leicester 3

LEICESTER can hold their heads high as they march into the First Division. The way they demolished Luton showed they are ready and able to take their place among soccer's elite 22.

For Luton it was a disastrous

Easter. Three defeats, in which they conceded ten goals, leaves them in the Second Division for another season.

Luton, with the tonic of a second-minute goal were in command for just twenty minutes and then the Leicester machine, with Rodney Fern the chief engineer, took over.

Manley's header from a Carlin corner put Leicester level before the interval.

In the 65th minute Farington blasted home a Carlin free-kick, and when three minutes later Moore fell over the ball to let in Brown for Leicester's third goal, it was all over.

● Luton's Joe Payne, who set up a new league scoring record with 10 goals against Bristol Rovers 35 years ago, was made an honorary vice-president of the club before yesterday's game.

Malcolm Macdonald climbs higher than John Sioberg—but it was Leicester who ended on top.
