

LUTON JUST FIZZLE OUT

Luton 2, Sheffield Weds 2

JUST what has gone wrong with Luton. They looked like shredding Sheffield Wednesday after Anderson scored in the second minute.

But it did not happen. There was not much response to MacDonald's promptings and he rarely got a look in. Then Sinclair equalised.

Luton always looked capable of regaining the lead but did not do so until seven minutes after half-time through Givens. Wednesday this season have not been noted for their fighting spirit away from home, but they had plenty this time.

Shrugging off the Givens goal they struck again and Funley equalised. Thereafter, Luton became increasingly desperate and not firing on all cylinders especially in attack.

Credit to the Wednesday defence for overcoming their bad start and plug the holes expertly. Their hero was Grummitt, with an international-class show.
