

Busby's worth waiting for

40/70 By ROY BENTLEY

Orient 1, Luton 2

VIV BUSBY, Luton's late season goal specialist—he weighed in with three gems to seal promotion from the Third Division last April—was at his dangerous best

He scored a goal a minute from time which deserved a far bigger audience than the 6,339 at Brisbane Road.

"A goal like that makes you feel tremendous and it is a pity it did not count for promotion," said the young Busby, who had also headed Luton ahead in the first half.

Orient's goal came in the third minute of injury time from Peter Brabrook—with the help of a gust of wind.
