

3-MINUTE ACTION

Oxford United 1 Luton 1

ONLY three minutes of positive action in this match. In the ninth minute **Don Givens** took advantage of a corner to fire Luton in front.

Three minutes later **Derek Clarke** scored his first goal of the season to equalise for Oxford. What happened before

and after the goals is best forgotten.

Oxford had some excuse because they lost their best best forward **Nigel Cassidy** at half-time, with an injury. Luton were clearly content to share the spoils and Oxford spent a frustrating time attempting to counter a packed defence.

Just when Oxford looked to be succeeding in the final 20 minutes, injury struck them again when full-back **Dick Lucas** received an ankle injury.
