The last issue of the current volume of *Bluebirds Journal* will appear on Friday, May 12 for the second leg of the Welsh Cup final against Wrexham. Don't miss the programme — it will be something of a collector's item.

For a start, there will be a complete run-down on all the club's Football League matches, final League tables and the final ratings in the Top Twenty Goal-chart.

We will also have a factual analysis of season 1971/72 plus a comprehensive report on the Welsh Cup and the Wrexham team. Make sure you get your copy to complete the collection of Journals for the season.

Voice of Ninian

NINIAN PARK, APRIL 29, 1972

No. 24

This afternoon we complete our home fixtures in the Football League but there are two more very important matches to be held at Ninian Park next month.

The first, on Friday May 12, is against Wrexham in the second leg of the Welsh Cup final when the kick off will be at 7.30 p.m. The first leg of the final will be played in Wrexham on Monday May 8.

Winning the Cup for a record-breaking sixth time is most important because, as you know, the trophy provides entry to the European Cup-winners' Cup and we will be delighted to bring continental teams over for our supporters next season.

So we look forward to hearing plenty of familiar voices from the terracing at the Racecourse a week next Monday. Remember this year the Cup will be decided on goal aggregate and not on points.

The second match is here on Saturday May 20, kick off 3.00 p.m. It features Wales against England in the British International Championship, a game which will be repeated next season in the World Cup.

Our own Leighton Phillips is in the Welsh squad of 16. He fully deserves his selection after a highly successful season.

Flashback... Flashback... Flashback...

Sandy does it against Bury

SANDY ALLAN IS PLAYING now in the Third Division and Bury are in the Fourth. This month three years ago both player and club were in the Second Division at Ninian Park with little doubt as to who came out on top.

City won 2-0 and Sandy registered the first Football League goal of his career. Bury's defeat merely helped to push them into the Third Division.

Allan joined the club for a nominal fee from Rhyl and was transferred for a five-figure fee to Bristol Rovers a couple of seasons ago.

As a Scot from Forfar, it is rather unusual for him to have played all his football in Wales and the West Country. When Sandy made his debut in the European Cup-winners' Cup, against the Norwegian club Mjondalen I.F., he scored a hat-trick.

MEMORY

But he was unable to gain regular selection in City's Second Division team and he is enjoying more first-team appearances since his move to Eastville.

Just for the memory, the flashback match which features in this the last of the 1971-72 series, took place on Easter Monday, April 7, 1969 before a crowd of 13,253 and the win left the club with a total of 47 points and fourth position in the table.

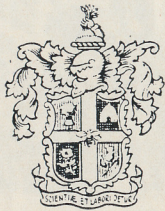

The City team was: Fred Davies; David Carver, Steve Derrett; Peter King, Donald Murray, Brian Harris; Barrie Jones, Sandy Allan, Leslie Lea, John Toshack, Ronnie Bird. Substitute — Frank Sharp.

LUTON TOWN

ONLY FOUR OF THE LUTON TOWN team which played here last season were in the side which draw 0-0 with Bristol City at Kenilworth Road last Saturday. That shows the changes which have been made as the club tries to find its promotion form.

When Luton were here last at Ninian Park, in November 1970, they stood second in the table and eventually finished sixth. So this season has been a disappointing one.

A new team has been moulded by the manager (Alec Stock. How different that team is from last season's can be found by recalling the line-up at Ninian 18 month ago — Read, John Ryan, Bannister, Hoy, Nicholl, Slough, Jimmy Ryan, Court, Macdonald, Keen, Givens.

Goalkeeper Tony Read has since been displaced by Keith Barber. John Ryan did not play last week and left back Jack Bannister has been transferred to Cambridge City.

Roger Hoy is now with us, Chris Nicholl moved to Aston Villa before the transfer deadline for a reputed £90,000 and David Court, the ex-Arsenal inside forward, is not currently in the first team.

CHOPPING

Malcolm Macdonald, of course, went to Newcastle last summer for £180,000 and is now the First Division club's leading goalscorer. The four other players are the four who have survived the chopping and changing.

They are defender Alan Slough, skipper Mike Keen, the former Queen's Park Rangers captain, ex-Manchester United winger Jimmy Ryan and Don Givens, the Eire international.

The seven who have won their way into the side are goalkeeper Keith Barber, left back Don Shanks, centre half Alan Garner, left half John Moore, midfield player Robin Wainwright and forwards Vic Halom and Gordon Hindson.

Halom, who is a former Charlton, Fulham and Orient player, scored a hat-trick against Sheffield Wednesday recently. Hindson was signed from Newcastle at the start of the season but the leading scorer, Peter Anderson, was demoted to substitute for last week's match.

RESHAPING

The transferring of Macdonald and Nicholl has meant a re-shaping of the Luton team which has managed only 42 League goals from their 41 matches.

The principal reason for their position in the lower half of the table has been their failure to win no more than one-third of their home fixtures — seven wins out of 21 matches.

Their away record is surprisingly good for a club in 14th position. Luton have conceded 23 goals in away matches but only three clubs can better that, Birmingham with 16, Norwich with 18 and Queen's Park Rangers with 19. Between them, those clubs hold three of the top four positions so Luton can plan for next season on a solid defence.

The Day Joe Payne Got Ten In One Game

WHENEVER PEOPLE GATHER to talk about Luton Town, one name has a habit of dominating the conversation — the incredible Joe Payne, the only player to score ten goals in a Football League match.

Joe did it for Luton this month 36 years ago, in a Third Division (South) match against Bristol Rovers which Luton won by the amazing score of 12-0. Joe Payne scored ten of them.

It is a record which hasn't been equalled let alone broken in all the years since. Payne holds another record which has also stood the test of time.

In season 1936-37 he scored 55 League goals in 39 matches to set up the highest total in any season for the Third Division (South) which was scrapped in 1958 when the Fourth Division were introduced.

Luton's twelve goals in that one match is also a Third Division (South) record. In the history of the Football League there have only been three instances of teams scoring more than twelve.

Newcastle United beat Newport County 13-0 in Division Two in 1946. Stockport beat Halifax 13-0 in the Third Division (North) in 1934 and Tranmere Rovers beat Oldham Athletic 13-4 in the same division a year later. Now you know!

* * *

The only time Luton Town ever got to the final of the F.A. Cup was in 1959 when they lost 2-1 to Nottingham Forest. The Luton side contained several international players.

One was Billy Bingham who is now in Greek football. Another was Syd Owen, the centre half who is now part of the Leeds hierarchy.

The Cup final team was: Baynham; McNally, Hawkes; Groves, Owen, Pacey, Bingham, Brown, Morton, Cummins, Gregory.

* * *

Luton Town have won two championships in their time, the Third Division (South) in 1937 and the Fourth Division in 1968. The club was a founder member of the Third Division in 1921 along with two Welsh clubs, Merthyr Town and Swansea Town.

* * *

A fraction of a goal prevented Luton from winning the Second Division in 1955. They were promoted as runners-up to Birmingham City but have never actually won the Second Division championship.

ENGLAND v. SCOTLAND

(JOHN IMPEY)

(BILLY KELLOCK)

JOHN IMPEY and **BILLY KELLOCK**, who played together this season in our F.A. Youth Cup team, will be on opposite sides next Tuesday when England and Scotland meet for a Youth international at Villa Park, Birmingham

Both have been selected by their respective countries for the finals of the

UEFA Youth competition in Spain later next month, Impey as England's centre half and Kellock as a wing half in the Scottish line-up.

Impey, who is 17, comes from Exeter and has been at Ninian Park since leaving school. He is an England schoolboy international, gaining his cap as a full back.

Kellock, who made his League debut against Charlton Athletic at The Valley two months ago, comes from Glasgow and was previously an amateur with Aston Villa.

It must be the first time that two City players have been featured in a Youth match between England and Scotland.

More of our players would have been competing in the European finals in the Welsh side who were eliminated because they did not fulfil their return qualifying fixture with Eire in Dublin.

Welsh League title looks like coming back

The Welsh League title looks as if it will be coming back to Ninian, After defeating Ebbw Vale 4-0 on Monday evening, the team has gone back to the top, above Llanelli on goal average.

With four matches remaining, there is every chance that we will finish with over 100 goals. So far the total stands at 87 from 30 matches.

When we won the title in 1968 we scored 136 goals and another 106 in 1970 when the championship was regained.

DID YOU KNOW . . . that our goalkeeper **BILL IRWIN** carries four pairs of gloves for every match. He wraps them all up neatly in a plastic bag along with his cap . . . but doesn't bother with any lucky mascot.

THE BIG S-T-R-E-T-C-H AT THE MANOR . . .

Oxford United goalkeeper Roy Burton has a very good pair of hands, which can be clearly seen from the above photograph as the goalkeeper leaps high to snatch the ball from the head of our own Alan Warboys.

The high-stepping incident happened in the first half of last Saturday's game at The Manor Ground. The five players featured in the action are, from left: Graham Atkinson, Ian Gibson, David Roberts, Warboys and Burton.

Our own goalkeeper Bill Irwin also handled the ball with great confidence and he was in no way at fault for the goal, which was scored after 74 minutes by Brian Thompson.

SPECTACULAR

The goal was spectacular enough to win any 'Goal of the Month' title. Thompson will probably never score another like it as long as he plays — not at any rate from 40 yards.

Picture by kind courtesy of the DAILY EXPRESS

One newspaper attributed this comment to Irwin: "The ball must have come from out of space. I didn't see it until it was in the net."

The goal came when we looked certain to take at least a draw from the match. We had our chances but did not use them to the best advantage and so Oxford finished off their home programme by gaining two points.

HAPPY

Although we won at Oxford a few years ago, it has not in the last couple of seasons been a particularly happy ground for us. Last year we were beaten 1-0 and in the previous season the match was decided in Oxford's favour by what appeared to be a blatantly off-side goal.

LEIGHTON PHILLIPS, who has gained six international caps in a very successful twelve months, could well be coming up for his seventh Welsh appearance next month.

He is a member of the squad of 16 players picked by Wales earlier this week for the British International Championship which starts with the match against England here at Ninian Park on Saturday May 20.

In congratulating Leighton on his selection we would point out that his inclusion was only to be expected in view of his fine performances this season.

Leighton first played for the full Welsh team on April 21, 1971, against Czechoslovakia at the Vetch Field. His debut was a good one despite the fact that Wales went down 3-1.

Steve signs for Carlisle

Another of our Welsh international players left the club this week to sign for Carlisle United. We wish Steve Derrett and his family every success at Brunton Park.

Steve joined City from school and played in the same F.A. Youth Cup team as Phillips in 1965. Four years later he was in the first team and also playing for Wales, gaining his first cap against Scotland at Wrexham in 1969.

He made his mark in the City side as a full back but enjoyed his longest spell in the League team while playing with No. 6 on his back. For quite some time he played well enough to keep Brian Harris out of the side.

Hoy at Ninian — on the other side

Roger Hoy was always in the thick of it when Luton Town were at Ninian last season . . . as a Luton Town player! This season he had hoped to be in a position to reverse the role and help Cardiff City defeat his old club.

Hoy, fourth from the right in our picture taken during the 0-0 draw last season, will not play again this season which has been a most unfortunate one for him because of persistent injury.

However, he is determined to be fighting fit by next August and will be keeping to a tough summer training schedule with only one aim in mind, getting fit as soon as possible.

Hoy had a cartilage operation early in the New Year and his last match was against Millwall which also happened to be Bill Irwin's first. But don't talk about that match because we had it in our pocket until the last ten minutes or so when Millwall somehow scored twice.

• The players in the action above are from left: Brian Clark, Jack Bannister Peter King, Hoy, Chris Nicholl, Malcolm Macdonald and John Ryan.

Promotion match in London?

Our last Second Division match of the season is against Queen's Park Rangers at Ellerslie Road on Tuesday, May 2 (Kick off 7.30) It is a match which could decide who goes up with Norwich City to the First Division.

QPR dropped a point to Fulham last Tuesday and because Birmingham beat Hull on the same night, they fell two points behind with two games to play, both at home.

Our match with them is a rearranged fixture and for the record, we have not conceded a goal to Rangers in any of our last three matches against them in the Football League. We hope that is a good omen for our visit there next week.
