Luton 72/73 (FAC) end the misery

LUTON have done the impossible. They have won a game at Kenilworth Road, although Crewe put up a spirited display before sliding out of the FA Cup.

Jimmy Ryan and Barry Butlin scored in Luton's 2-0 win and left the club hoping for a good draw in the next round.

Crewe veteran Tom Lowry had cause to remember the match. Top left, he challenges Luton's Barry Butlin, whose foot is clearly raised. Steve Litt (No 8) and John Ryan are the other home players.

Top right, Lowry goes down holding his face while the referee indicates Butlin's foot-up offence.

Bottom left, Crewe's Arthur Peat comes to aid of his team mate while the referee signals for help. Bottom right, trainer, Joe Maloney about to use the magic sponge so the Lowry can resume his defensive role.
