Black 'n' White Comment

A tingle of disappointment emerged from last week's trip to Arsenal : but that was far outweighed by the satisfaction enjoyed from the result. The disappointment surrounded the fact that a two-goal lead slipped away, but the overall result was a credit to the team and a source of confidence building for this afternoon's cup encounter. Highbury was the scene of an exciting match that was a privilege to watch, with a number of United players putting on top-line performances.

★ ★ ★

All will be keen to emulate that performance, but none more so than Malcolm Macdonald, who will be out to worry the Luton Town defence in the way that he once worried every other Second Division defence on Luton's behalf.

★ ★ ★

Undoubtedly, United are in the right frame of mind to make sure they are included in Monday's fifth round draw after such a lengthy absence.

OUR VISITORS : LUTON TOWN

Luton Town were formed in 1885 and turned professional five years later. Their League record has not been outstanding, highest position being eighth in the First Division in 1958, but they have reached the F.A. Cup Final, losing to Nottingham Forest in 1959.

★ ★ ★

Luton are a team with flair, from the boardroom which includes comedian Eric Morecambe, to outspoken manager Harry Haslam, to the playing staff which is keen, and one of the better sides in the Second Division.

★ ★ ★

The present staff is a mixture of youth and experience. In goal, Harry Haslam can choose between former Dunstable Town keeper **KEITH BARBER** and the ex-Manchester United Eire Youth international **WILLIE CARRICK**.

★ ★ ★

BOBBY THOMSON is the club captain, once rated the best left-back in England. It was while with Wolves that Bobby collected his England caps. A colleague in defence is big **JOHN FAULKNER**, signed from Leeds United as a replacement for Chris Nicholl who was sold for a huge fee to Aston Villa. Competing for the No. 5 shirt is the consistent **ALAN GARDNER**. Alan joined Luton from Millwall and made 10 appearances last season.

★ ★ ★

Full-back **JOHN RYAN** is now in the big money class. He is fast, and very constructive when moving forward. Formerly with Arsenal and Fulham, John has made approximately 150 first team appearances. Long-serving **JOHN MOORE** completes the defensive picture. John was previously with Motherwell.

BOBBY THOMSON

In mid-field Luton choose from former defender **ALAN SLOUGH**, who joined the side straight from school, former Manchester United inside - forward **JIMMY RYAN** who was signed for a £20,000 fee, and another ex-Manchester United player, **JOHN ASTON**, who has considerable First Division and European experience.

★ ★ ★

VIC HALOM was signed at a fee of £30,000 as a replacement for Malcolm Macdonald. Vic followed the same route as Malcolm—from Fulham. He is proving to be a consistent marksman, linking with record-fee signing **RODNEY FERN**. Rod played in Leicester's 1969 Cup Final team and is a strong, bustling type with a highly developed goal sense.

★ ★ ★

Top goalscorer last season was former Hendon amateur **PETER ANDERSON**, and Luton can also consider former Newcastle winger **GORDON HINDSON**, and the man who scored two goals for the Magpies last season, **VIV BUSBY**.

With the Reserves

Saturday, 27th January, 1973

United Res. 1, Blackpool Res. 2

The Reserves' good run of home results — no defeat since November 18th last year — came to an abrupt halt against Blackpool last Saturday.

The Blackpool side included former Newcastle striker Keith Dyson, playing in the seemingly unusual rôle of mid-field architect. Recent comfortable wins against Aston Villa, Bury and Manchester City were forgotten as the Central League side struggled to find form. Few players managed to raise their game against the Seaside and it was two early defensive errors that allowed the visitors to take command. Cannell pulled one back for United in the 22nd minute. The home side pressed forward throughout the second half, and Hodgson and Reid both came close to equalising.
