

RYAN LIFTS LUTON

72/73

By ROY BENTLEY

Blackpool 1, Luton 1

BLACKPOOL play at Gloomfield Road these days. The fans have lost their taste for the Tangerines and want only the skin — of manager Harry Potts.

To the chants of "Potts must go" and "Potts for Preston" from the terraces, chairman Frank Dickinson answered: "We don't bow to this kind of pressure. V

have every confidence in the manager."

Luton had little sparkle, but they should have won the match comfortably in the late stages after trailing to an Alan Suddick goal for almost an hour.

The equaliser was a superb affair by Jimmy Ryan.

The gate of 6,947 was Blackpool's lowest since the war.

MAN OF THE MATCH:
Glyn James (Blackpool).
