

LUTON HELD BY GRIMSBY RALLY

Grimsby0 Luton0

Grimsby fought back well to take Luton into extra time in last night's League Cup replay at Blundells Park.

In the end Luton were lucky to draw, for Hubbard ought to have put Grimsby into the next round when he was put through near the end of normal time but shot at the goalkeeper.

Luton's clever attack caused Grimsby's back four a lot of trouble in the first half.

Booth kicked a back header from Alan Garner off the line, and then Barry Butlin headed against the Grimsby post and Anderson put the rebound over the bar.

Wainman also made fine saves from Aston and Anderson, whose long-range shot dipped at the last minute and the goalkeeper just managed to flick the ball over the bar.
