

NOW LUTON JUST WAIT

LUTON have done it again! They staged another full-blooded thriller that leaves them hanging on to First Division life by a thread until tomorrow night.

They played Land of Hope and Glory at the start—and they will need the hope in large quantities that Spurs don't get a point at White Hart Lane against Leeds and edge Luton back into the Second Division.

Manager Harry Haslam said: "I won't be going to White Hart Lane. I am staying to watch the reserves against Brighton."

But he cracked: "I'll send Leeds manager Jimmy Armfield 30 bob—that's all I've got."

But Luton left things late. It looked as if City's class would carry the day, and they led for an hour.

Luton coach Roy McCrohan said: "Harry and I decided that if we did not score in the first 20 minutes after the break we would take a gamble and send on the substitute because we needed a win."

DECIDED

The Luton gamble almost came off. Eighteen year old Andy King was thrown in for his League debut and this gave Luton an extra attacker as they pulled off centre-back Steve Litt.

Luton crowded into the City area and within four minutes were level.

ball home from 30 yards after Corrigan had come out to the edge of the penalty area to try and clear a corner he had only managed to push away.

That made up for Ryan's early boob in the first half. He slipped while trying to push the ball back and let in Tueart to round Buckley and tuck the ball away into the corner of the net.

In the last few minutes City manager Tony Book brought off skipper Rodney Marsh and put on young Keegan.

Marsh, instead of coming back and sitting in the dug-out, sauntered down the touchline and sat on a chair near the mouth of the tunnel in front of the fans.

Said Book: "I shall be having a word with Marsh. I like to do these things diplomatically."
