BOSS CHAT

Once again last week's Sunday Papers were full of violence and hooliganism, from so called Football Supporters, and it is becoming apparent that should it be allowed to continue the gates all over the Country are certain to drop.

Billy Hunter and I travelled up to watch the Luton v. Chelsea match and what we saw there on the terraces was a disgrace to the game. Young kids, some of them under twelve, were staging running battles with Police and Stewards, confiscating balls that had been played into the crowd, and then finally they began invading the pitch to have a go at the players. All of the trouble seemed to come from the Chelsea section of the fans which is a pity if Eddie McCreadie's youthful promotion challenge is to be carried along on a wave of fan hysteria à la Manchester United.

I have noticed that in our two away matches this season, we still have a good sprinkling of supporters including our faithful band from the Isle of Wight, so I can only hope that they keep their own good name and the good name of the Club intact when they make their trips out of Portsmouth.

In one week I saw Chelsea play twice and with all the Press they've had since the season started, and they do have some good youngsters, I am more than convinced, that the way our Youths have been performing there are exciting times ahead for Portsmouth.

Luton, like ourselves, seem to be searching for a blend of youth and experience, and Harry Haslam's team play as much attacking football as any team in the first two divisions. So we have the challenge today of pitting our skills against a team that put up such a brave fight to stay in the First Division last season coupled with the prospect of seeing the young Futcher twins in action.

The way we have picked up in the last two games could point to a thrilling game of football today and this alone could be the best medicine for any over zealous fans we have in the ground.

Ian St John

Welcome

Luton Town

After one season in Division I Luton find themselves back in the second Division. At one time they looked as if they would avoid the drop and could count themselves unlucky not to do so, as they had a tremendous last ditch battle. However, the experience will do them good and they will be looking for an immediate return to Division I. Manager Harry Haslam has welded them into a Club who enjoy their football, being a happy-go-lucky character himself it obviously rubs off on others. Luton are a progressive Club and although restricted area wise, have done some fine work on their ground and facilities. They have a fine blend of youth and experience which should serve them well in their efforts to restore First Division football at Luton once again.

KEITH BARBER. Goalkeeper. Was signed on professional forms in April 1971, when Tony Read was injured and the Club had to seek special permission from the Football League — the transfer deadline having passed — to play him against Sheffield Wednesday three days later. Keith has since held his place regularly.

ALAN WEST. Alan took over as skipper of the Hatters mid-way through last season and it was under his guidance that the team made such a remarkable recovery and was so very unfortunate to suffer relegation. Alan won England under-23 honours in his Burnley days but, after losing his place in the team which won the Turf Moor club promotion in 1972/73, he felt he would like to make a fresh start elsewhere. He signed for Sunderland but they amazingly turned him down, following a medical. Luton had no such reservations, signed him for £80,000 soon after 1973/74 had kicked off and he hasn't missed a game since.

JOHN ASTON. John followed in father's footsteps by becoming a big star with Manchester United. Dad had been United and England's left-back during the immediate post-war period and young John followed him into the Reds' side in 1964/65. For several seasons John and George Best performed on opposite flanks for United, John's finest game probably being the 1968 European Cup Final when he teased and tantalised the Benfica defence into complete submission. Soon after that he broke a leg and never quite made a full recovery. The presence of his father also tended to prove a bit difficult at times so he moved to Luton on a £30,000 transfer in 1972. Earlier in his career, John played for the England under-23 XI.

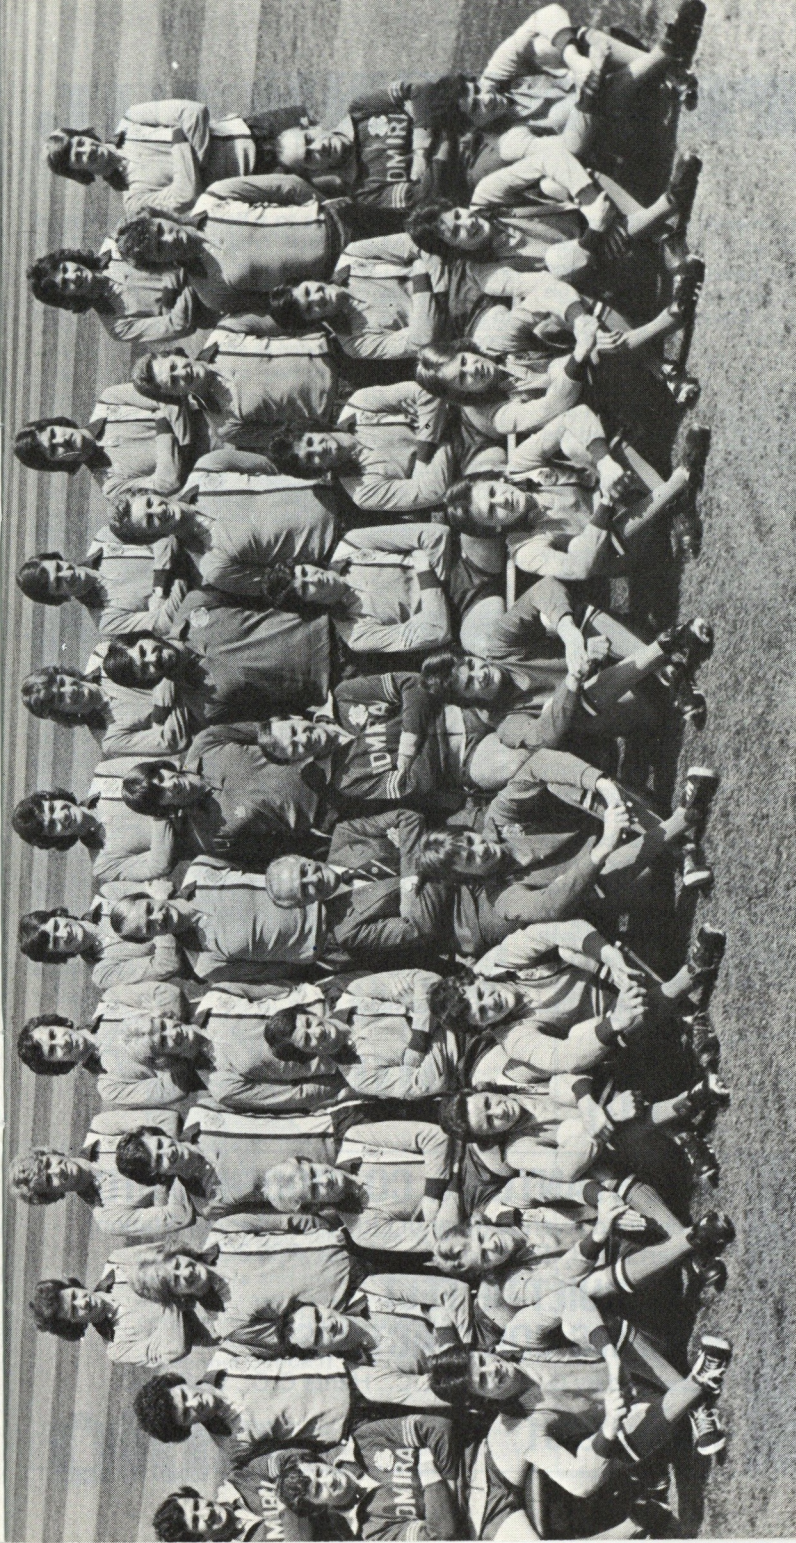

JOHN RYAN. John's first taste of League football came with Fulham who were in the First Division where he made his bow in 1967/68. He enjoyed a long run, appearing in 24 games that season and holding his place for much of the following campaign. Shortly before the close of that season, though, he was transferred to Luton where he has always been a member of the senior squad. John has on two occasions (in 1970/71 and 1971/72) maintained an ever-present record. He was a member of the Hatters' team which won promotion to the First Division in 1974.

STEVE BUCKLEY. Steve is one of the youngest members of the Luton side and is now into his second campaign as a first-teamer. He was given a trial at Leicester in October 1974 and performed with a coolness which impressed manager, Harry Haslam. A few weeks later, Mr. Haslam decided to give Steve a further run and this time he played so well that, there after, former England International Bobby Thomson was unable to regain the left-back position.

BRIAN CHAMBERS. Brian is a talented footballer who has not yet fulfilled his full potential. He developed well, at first, in Sunderland's youth team and, after making his League debut for the Roker Club in 1970/71, he held his place for about a year. He began to make a come-back in 1972/73 as Sunderland embarked on their epic F.A. Cup run but, though he was getting several League outings during that period, he didn't get the chance to join in the Cup fun. At the end of that season he moved on to Arsenal where he remained for just one season before signing for Luton.

PAUL FUTCHER. Paul was only 16 when he made his League debut for Chester against Cambridge in March 1973, but, so quickly did he establish himself in the men's world of professional football that he was transferred to Luton for £100,000 little more than a year later! "I couldn't believe it when I was told," says Paul. "I had no idea Luton were interested, anyway. Last season, Paul's robust tackling and his lightening summing up of every situation made him a big success in First Division football and how he is strong tipped for representative honours. Paul is the identical twin of striker Ron who joined Luton at the same time.

PETER ANDERSON. Peter had looked little farther ahead than soccer fun with amateurs, Hendon, in the Isthmian League until Luton spotted him. Then things moved swiftly. Luton signed him in February 1971 and promoted him immediately into their Second Division side. He soon settled and, indeed, the following season he was leading scorer with 10 goals. He has since remained a member of the senior side and has now made almost 200 appearances for the side.

POMPEY SCENE

Last Sunday the Portsmouth team were through at Brands Hatch Racing Circuit by invitation of Mr. Sydney Millar, who sponsors racing car drivers and race meetings throughout the country through his Company, Southern Organs. Present at the meeting were PHIL FIGGINS, BILLY EAMES, STEVE FOSTER, PETER MARINELLO, PETE ELLIS, CHRIS KAMARA, PADDY McPARLAND, DUNCAN PRATT, and IAN ST. JOHN, BILLY HUNTER and PAT WRIGHT. All the families were there and the spread that was put on before the events started was outstanding. All in all it was an interesting day and after three of the races we had IAN ST. JOHN, BILLY HUNTER and PETER MARINELLO presenting the winning wreaths with Peter actually being driven round the circuit on a lap of honour. During the meeting we had a sweepstake for every race and at the finish PETER ELLIS was well in front. The Milky Bars were on him when we stopped on the way home.

At the time of going to print PAUL CAHILL had been given the go ahead to play in the reserve match so if he came through that alright we could soon find ourselves with a bit of depth in defence for our busy September programme. BILLY WILSON was also a bit of a problem when he started back again but has now settled down into a gradual climb back to fitness and everyone hopes a challenge for a First Team spot. This leaves us with the two young lads KEITH VINEY and DAVE PETTITT still battling to get over the knocks they received in the pre-season friendly with Waterlooville but the report from GORDON NEAVE is also bright.

This weekend all of the Staff have been invited

along with their wives to a Barbeque/Discotheque over at the Albany Hotel, organised by the Pompey Victory Club. So not only is the Football Season well under way but the social activities are beginning to pick up too. Anyway, more about that in a later programme.

JUNIOR COMMENT

With three victories behind them already this season, the Youth Team are certainly looking the part, and their away win last Saturday against Arsenal only emphasises what was said about them being possible League contenders this season. BILLY EAMES got the all important goal but it was a fine all round Team performance, with special mention for newcomers MARK GLANVILLE and KIERON RANN.

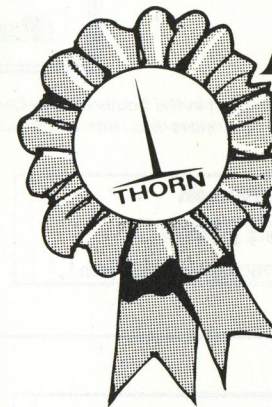

Earlier on it was mentioned that LEIGH BARNARD had been the super athlete at the Club's athletic meeting during the pre-season build up, but CHRIS KAMARA's appeal has been upheld — so we may need a re-run between the two of them. Last week TONY BARTON and RAY CRAWFORD were busy running the rule over a couple of dozen kids who had been sent down on trial, but although there were young boys from all over the country, some down on recommendation, they didn't really match up to the standard of what we already have in the South East Counties or Hampshire League outfits.

Towards the end of last season BILLY EAMES

became the first of our apprentices to pass his driving test but since then STEVE FOSTER has started taking lessons and PETER DENYER sits his test in a couple of weeks. Let's hope the journey up to Brands Hatch hasn't given them big ideas.

COMMERCIAL NEWS

Fundraising

We are introducing very shortly a new weekly ticket which offers the most attractive prizes that we have ever offered. However if we are to make it a successful venture we must have more supporters coming forward to sell the ticket. Not much time is involved and the new ticket is certainly one that will sell itself.

Are you a prospective Agent? A person who wants to take an active part in helping the club? Then contact Bill Davis at the Pompey Shop. Since the season started many supporters have done this and are now established as part of the team who are working behind the scenes. We know that without your help as a supporter no club can be successful. We have a long way to go, so why not pop into the shop after the match for more details?

Golden Goal

There were two winners in the match against Nottingham Forest and each received £25.00.
W. J. Rogers, 7 Lasham Walk, Fareham.
Miss Groves, 15 Widley Road, Stamshaw.
Both these claims were One Second out.

At the Aldershot match we only had one winner who had the exact time. He received £50.00.
Mr. S. Carter, 76 Alverstone Road Milton.
NOTE! We still need more sellers for the Golden Goal.

Cup Fever

Cup Fever, once it hits a club brings back the welcome return of many of the old supporters. All of a sudden the club becomes the talk of the town and interest as to "who plays for Pompey", or "I remember the good old championship days" is the most consistent topic. I have no doubt in my mind that this will be the case at our cup match against Leicester on September 9th. It was good to have won against Aldershot and to get the chance to play this first Division team who will give us once again a game to remember.

Programmes

We have a good stock of Pompey programmes in the shop together with many first division programmes. The new programme seems to be very popular and we hope to improve each and every programme that we produce. The response for ball donors is most encouraging and there are only a few matches left. If you would like an advert or would like to make a ball donation contact me at the Pompey Shop.

Excursions

Our next excursion will be to Carlisle. The coach fare is £6.30 and the train fare is £5.20. Bookings for the train have already been in great demand. As the tickets are limited you are advised to book early.

Finally it was most encouraging to see the behaviour of our supporters both on the train going to York and also on the coaches to Aldershot. I feel confident that our supporters will keep up this standard and show other clubs that we are Proud to be Pompey!
