THARRY'S TOWN

First of all I must say that I am very sorry to see Eric Morecambe resign from the Luton Board. Eric has done a great deal for the Town and in his six years at the club, he made Luton Town a household name.

We will all miss his cheerful face in the boardroom and hope that he will not sever all his connections with the club. Eric resigned because of pressure of work. He has just started filming another series of the Morecambe and Wise Show.

It is ironic that the first home match that Eric should miss after leaving the board should be against Oldham. For the Lancashire club have just appointed another comedian-Eric Sykesto their board.

It is five years since the two clubs met in the Third Division days. Since then we have been to the First Division and back, and Oldham have won promotion to the Second Division.

This season neither of us has set the Second Division alight so far, but both clubs remain hopeful of being in there at the end. Oldham have collected a couple more points than we have, and today we shall be doing our utmost to overhaul them again.

I was sorry that the Jimmy Johnstone deal fell through last week. Even though the player had been given a free transfer by Celtic, he obviously commanded a high price wages-wise, and the board felt that we could not afford it.

That's how tight money is at the moment. So it still looks as if I am going to have to sell to buy. After that good win over York I honestly thought the tide had turned for us, and that we would start picking up some of the results we felt we were capable of.

I thought we played well at Southampton last week. We were worth far more than a 3-1 defeat,

I can tell you that. We went to entertain and to attack, and we did just that. The difference was that their efforts went in. Ours didn't.

I am not moaning, but all I think we need is a bit of luck. We almost scored twice before Southampton went ahead, and their crowd showed that they appreciated the way we played.

It would be nice to chalk up a good win today, just to convince ourselves and everyone else that we can still score goals. It would also be a good way to start a run of three matches against London Clubs.

Next week we go to Fulham to try to beat Alec Stock's side for the second time this sesson. After that we have Orient at home and then go to the Valley to take on Charlton. This game has been brought forward from Saturday (Dec 6th) to the Wednesday evening (Dec 3rd). Kick-off: 7.30 pm. It's going to be another busy month.

IPSWICH TOWN

lednesday 3rd December Kick-off 7.30 pm

At a Board Meeting held last week, the Board of Directors voted that Director, Denis Mortimer, be the man responsible to lead the attack against the present economic situation that confronts the Company. He has been appointed Chief Executive to be responsible to the Board of Directors for the efficient running of the Club and that as Chief Executive he shall have the full power to enable him to carry out his duties covering all aspects of the Company's operations.

"I am very proud to have been entrusted with this important assignment and I would like to thank my fellow Directors for both their faith in me and the support given, I would also like to take this opportunity of assuring both staff and supporters that I shall spare no effort to ensure that the Club operates as a successful and harmonious organisation.

"My first job will be to co-ordinate the finance and commercial activities within the club, and I am looking forward very much to working with Harry Haslam on the playing side.

Mr Len Hawkins will continue as Chairman of the Club in a non executive capacity and will be responsible for The 'Bobbers' Stand and Supporters Club which has been, and continues to be, one of the most successful sources of fund raising we have.

Mr Jim Yates will have full responsibility for all commercial activities, he has already shown flair and leadership in this very important side of the Club's operation.

Mr Jim Richardson will continue as Director in charge of finance and all other Directors have indicated their keenness to participate to the full whereever necessary.

Regardless of the dramatic press coverage, I can say there has not been a Boardroom split. Our company operates in a most democratic manner and each Director has an opportunity to air his point of view—this without fear or favour. A difference of opinion does not amount to a split or Boardroom tantrums.

With regard to Jimmy Johnstone, someone has forgotten to inform you that

although Jimmy was on a free transfer from Celtic, he was looking for a large signing-on fee. For a possible one or two year's service, this would not have been viable."

We have an acute financial problem which requires immediate attention, and to survive we must attract larger crowds to Kenilworth Road, improve our commercial activities, reduce the playing staff and cut expenditure all round.

I would appeal to all supporters and organisations within our catchment area for your continued support and understanding of the economic conditions within which football finds itself at this present time, and to assure you that everyone at Kenilworth Road, including myself, will spare no effort in ensuring that the entertainment you deserve is provided. Anybody within our organisation who is not prepared to treat the supporter fairly and squarely and give his all is not required by me. I look forward to better things for Luton Town Football Club and you, the supporter.

Denis Mortimer, Chief Executive Director

WELCOMETO

OLDHAM ATHLETIC A.F.C.

Back row: Les Chapman, Jim Branagan, Alan Young, Ian Robins, Maurice Whittle.
Middle row: Jimmy McGregor (Physio), Andy Lochhead (Coach), David Holt, Paul Edwards,
Chris Ogden, John Dungworth, John Platt, Keith Hicks, George Jones, Jimmy Frizzell (Manager).
Front row: George McVitie, Ron Blair, Ian Wood, Alan Groves, Graham Bell.

Oldham Athletic, down today from the congested soccer area of mid-Lancashire, are having their best overall start to a season in Division Two for forty-five years. And the reason for their good form is an extremely efficient home record, which currently reads:

P9 W6 D2 L1 F16 A10 Pts14

They've had neat wins over Hull, Bristol Rovers, Chelsea, Plymouth, York and Southampton and their only lapse was a 2-4 beating from Bristol City, whom we held to a goalless draw not so long ago. Last Saturday they drew 1-1 with Oxford.

Even away from home, Oldham haven't played too badly, although they have still to win on "foreign" soil. They have picked up points at Blackpool, Portsmouth and West Bromwich, and were very unlucky to lose 2-0 to Aston Villa in a rainswept League Cup tie.

Oldham are now managed—and competently, it might be said—by their former player, **Jimmy Frizzell**, a man who has always believed in attacking defences, especially from the wings.

In his playing days, Jimmy scored plenty of goals and he wants Oldham to follow suit. That's why he's brought back to Boundary Park, striker **Dave Shaw**, who is on loan from West Bromwich Albion. In March 1973, Shaw was sold to Albion for £80,000 after having notched 69 goals in 155 League appearance for Athletic, who originally signed him from Huddersfield Town in October 1969.

In fact, Shaw made a triumphant return to Oldham, scoring a hat-trick, inside a quarter of an hour, against Southampton on October 21st.

There is another ex-Albion man now in Oldham's ranks—**George McVitie**, a right or left winger, who joined Athletic two and a half years ago. He

started his career off with Carlisle United and to date has over 275 League games behind him (45 goals). McVitie's other wing partner will probably be **Alan Groves,** a much travelled number 11, who, prior to joining Oldham nineteen months back, assisted, in turn, Southport, Chester, Shrewsbury and Bournemouth, totting up a grand total of 150 plus League appearances in the process.

In search of goals, besides Shaw, will be **Ian Robins** and **George Jones.** Robins, at 23, is an established first team performer, who has graduated through the club's junior ranks. A native of Bury, Ian has played in over 175 League and Cup matches for Athletic. Jones, too, is an old campaigner and a very experienced one at that! He has scored fluently in the past for Bury (on two separate occasions) and Blackburn, and is still doing the same for Athletic, who paid out just £10,000 for his services. George had 321 League outings all told for Bury and netted 114 goals . . . a fine record.

In midfield, searching for and creating scoring chances, will be **Graham Bell, Les Chapman** and **Ronnie Blair.**

Bell's dad used to play for Oldham and Graham is stepping firmly into his father's footsteps. He is already in the £150,000 class and in recent matches, has been watched carefully by many leading First Division clubs, including Leeds and Everton.

A highly skilful footballer, Graham signed "pro" a couple of seasons ago and in his younger days won England international recognition in the amateur field. Chapman is in his second spell with Oldham, having played, in between times, for Huddersfield. He had 133 League games for the Leeds Road Club and, being this side of 30, has a lot more still to offer the Latics. (He and Dave Shaw swapped clubs in an exchange plus cash deal).

Northern Ireland international Ronnie Blair is another player having a second "career" at Oldham. He was with Rochdale for two years but is now a vastly improved link man in Oldham's set-up, with well over 250 League appearances under his belt.

The back four in our visitor's line-up will possibly be Jim Branagan, Maurice Whittle, Keith Hicks and Dave Holt.

Right-back Branagan has only recently moved to the number 2 spot, but he's settled down in the position extremely well. His father was an Oldham player a few years back and Jim has said that he's going to do as well as his dad did!

Blackburn sold Whittle to Oldham in 1969. Originally a wing-half, Maurice, a hard tackler, is the club's penalty expert and has some 260 League appearances to his credit. An exceptionally hard tackler.

Centre-back Hicks, the 21 year-old former England Youth player (1972), stands six feet tall and weighs 12st 5lb. A local lad, he is brilliant in the air.

Hick's partner and Oldham's sweeper, is Deve Holt, whom Bury sold for £25,000 last November. This 22 year-old Lancastrian passed the 200 mark in League outings earlier this season and looks set for a good many more . . . in years to come.

Behind these last four defenders will be goalkeeper **Chris Ogden**, a product of junior football who was born 22 years ago in Oldham. Chris was chosen as Athletic's "Player of the Year" last season when he was also an ever-present in their League side. He's a safe, agile and sometimes brilliant 'keeper, who last term kept no fewer than 15 clean sheets. Chris's dad was Athletic's 'keeper for many years.

Those then are the men whom **Jimmy Frizzell** hopes will prove quite a handful for Town this afternoon.

No doubt there is a lot of ability in this Oldham team—and if they can click, then we should see some grand football between 3.00 and 4.40 pm. Let's hope so.

BALL DONOR

The ball for this afternoon's game has been kindly donated by all the Luton fans who travelled on the Tricentrol coach to Sunderland and Southampton. Thank you all for this much appreciated gesture.

UNLUCKY START

Graham Horn, our goalkeeper whom Brentford have taken on a month's loan, did not have the happiest of baptisms in the Fourth Division. Against a Tranmere side who are full of goals, Graham was on the receiving end of a barrage of attacks. Unlucky Brentford lost their centre-half Lawrence, with concussion and then Graham received a nasty cut above his ear which required stitches. Tranmere took full advantage, hoisting themselves to Fourth Division leadership with five goals.

FOOTBALL COMBINATION

Saturday, 8th November, 1975

LUTON TOWN 2, CRYSTAL PALACE 2 (Simon, Futcher).

Team: Judge, Mead, Buckley, Pollock, Carr, Price, Simon, Russell, R. Futcher, Seasman, Fuccillo. Substitute: Malcolm (for Russell. 78 mins).

Casual play in the first fifteen minutes almost certainly cost us a victory. During this period Palace scored twice through centre-forward Walsh, the second after an error by fifteen year old keeper, Alan Judge from Welwyn. However we fought back into the game with some good football. Simon reduced the arrears with a bravely headed goal after good play by Seasman. During a period of intense pressure before half-time, Fuccillo missed a fine chance and Futcher and Seasman were both denied obvious looking penalties. We kept at Palace in the second half and penned them in their own half. Mysteriously the referee disallowed a Fuccillo goal. In a rare Palace attack, Judge made a wonderful save, palming the ball away for a corner. True to form, the referee gave a goal kick. With twelve minutes to go, Malcolm came on for Russell, Buckley going to outside left. With minutes remaining, Ron Futcher, got our second goal

which was a fair reward for his efforts. We finished the superior side and in the end were denied a deserved victory.

MIDWEEK FOOTBALL LEAGUE CUP-FIRST ROUND

Monday, 10th November, 1975 LUTON TOWN 0, PETERBOROUGH U 1

Team: Judge, Mead, Malcolm, Pollock, Carr, Price, Ryan Jim, Spiring, Ron Futcher, Seasman, Fuccillo. Substitutes: Simon, Hill.

Having reached the Final of the Midweek League Cup last season, we were hoping to repeat this achievement by beating Peterborough in the first round. However, although we pressurized Peterborough for at least eighty of the ninety minutes, they scored a late goal which spelt our exit.

We were prevented on numerous occasions from scoring by a good display by the Peterborough 'keeper and by the goalpost and bar. Peterborough's goal came after a mistake by young 'keeper, Judge and we didn't really have time to get back into the game.

Although Judge was responsible for the goal—a mistake that is quite normal for a 15-year-old—he gave a good display during the rest of the game and we can expect to see something of this boy in the future.

The back four were never in trouble and they all did well. In midfield we were always in command and up front Ron Futcher fought well for the whole game but he did not always receive support from Seasman and Spiring, who although did not play badly, did not perform as well as could be expected.

Perhaps we can count ourselves unlucky at being knocked out in the first round as we had a rightful penalty appeal turned down by the referee.
