HARRY'S

other clubs say they will do things for you that don't always happen.

I had a couple of deals on the table, but so far the clubs involved have not come up with the goods.

We have not had the best of luck so far with injuries, and our latest casualty, John Faulkner, had a nasty time with his knee last week. He had to have some painful cortisone injections and have the leg put in plaster. We all hope John will be back in full training before long.

Still, it says something for our youth policy when we are able to chuck a youngster like Gary Jones in at the deep end.

And at last we had a bit of luck with a penalty. We were awarded our first of the season after half a dozen going against us, and Steve Buckley cracked it home.

I am just disappointed that the result was not right. We will be aiming to put that right today against Cardiff, and we welcome their manager Jimmy Andrews, a former Luton coach, back to Kenilworth Road.

Jimmy has done a good job in difficult circumstances at Ninian Park, and I am glad to say that he has done it with a bit of help from our former Australian World Cup striker Adrian Alston.

Let's hope we have a good game and, no bad feeling for Jimmy at all, that the result goes the right way for us. We don't half need a couple of points today.

I WAS glad to read in the local press early this week that the Luton board hope to be able to make money available for me to spend on players. That's very encouraging.

I had resigned myself to the fact that I would have to look to our youth resources if I wanted any new blood.

Even so, let's not get too excited too quickly. Luton Town does not have a great deal of money available — for players or for anything else. I think everyone knows that.

And if I were given say £25,000 to go out and spend on new talent, then we would not have to expect to get an England World Cup player.

We would have to shop within our budget. And I would also have to look carefully. I have had several things lined up already this season, but they have come to nothing. Sometimes

TOWN

Cardiff City

RON HEALEY (goalkeeper): City's first choice goalkeeper for most of last season — but always under tremendous pressure from the strong and talented Bill Irwin. Made his Cardiff debut in March, 1974 and several weeks later ended a loan period from Manchester City by signing for a five figure fee. A coalminer's son, he made his First Division debut for Manchester City at 17, thus becoming one of the youngest in League history.

BILL IRWIN (goalkeeper): Signed from Irish League Club Bangor for £8,000 in October, 1971. The regular choice until Healey's arrival, he produced an inspired spell last season to regain his place for several weeks. A former Irish amateur International who made his debut within 48 hours of becoming a professional.

PHIL DWYER (defender): Local product who skipped the Welsh under-23 side last season and gained a place in the senior squad. A consistent defender who has also played mid-field and central striker. Until this season, however, his first choice position was right-back: now he is expected to emerge as an outstanding centre-half succeeding Mike England in the number five shirt.

FREDDIE PETHARD (defender): A Glasgow-born former Scottish Youth player who played in the same national side as Tommy Craig and Kenny Dalglish. Came to Wales after being given a free transfer by Celtic in August, 1969 and enjoyed his best season for Cardiff in 1975/76. Can play on either side and also in mid-field.

CLIVE CHARLES (defender): Won the Player's Award last season for being the best left-back in the Third Division. Signed at end of 1973/74 season after several weeks on loan from West Ham and still developing as a stylish, gifted defender of sharp control and pace.

BRIAN ATTLEY (defender): Has made a number of first team appearances over the last two seasons and improved with almost every game. A young, locally produced full-back who has now recovered from a bad injury run in the second half of last season.

KEITH PONTIN (defender): Yet another young player from the Cardiff area who is making great strides. A tall, talented and commanding centre-half who is expected to challenge strongly for a regular first team place this season after several promising appearances in Welsh Cup matches.

RICHE MORGAN (defender): One of Cardiff's most loyal and longest serving players. A former Welsh under-23 centre-half, he understudied first Don Murray, who played over 500 games for Cardiff, and then Mike England.

ALBERT LARMOUR (defender): A safe, dependable defensive wing-half whose great merit is his consistency. Has played alongside Murray, Morgan and England and efficiently marked out of the game some of football's best known strikers.

DAVID GILES (midfield): One of the most exciting young players in Welsh football. Born just a few hundred yards away from the ground, he has progressed swiftly at Ninian Park where his sparkling control and pace have won him several Wales Youth caps.

JOHN BUCHANAN (midfield): Among the best strikers of a ball in the entire League. Can hit tremendous shots off either foot and is a regular scorer from 25 yards. Signed from Northampton Town by manager Andrews and a first team regular last season until hit by injury.

PETER SAYER (midfield): Another young local player whose natural talent won him a regular place in the closing weeks of last season — he had started promisingly a year earlier in the Second Division but then been checked by a broken leg at Southampton.

ALAN CAMPBELL (midfield): Signed from Birmingham City just before last season's transfer deadline to bring that extra creative spark in the decisive weeks of the promotion campaign. This former Charlton and Scottish under-23 International proved a vital competitor providing brilliantly manipulated moves that produced critical goals.

DOUGLAS LIVERMORE (midfield): A highly skilled, tirelessly working 'general' with First Division experience at Liverpool — his home town club — and Norwich City. Has now succeeded England as Cardiff's skipper and made an outstanding contribution after being signed a year ago.

WILLIE ANDERSON (front player): Given his League debut as a 16-year-old with Manchester United. Moved to Aston Villa for £20,000 and, some 250 games later, to Ninian Park for £60,000. A dazzling runner with the ball on either wing, he carved out dozens of scoring chances last season — probably his finest since arriving at Cardiff five seasons ago.

DEREK SHOWERS (striker): Joined the club as a 16-year-old from his native Merthyr and was a regular choice in Cardiff's last season in the Second Division — finally ending with caps against England and Northern Ireland in the Home Championship.

TONY EVANS (striker): One of football's success stories last season. Signed on a free transfer from Blackpool and without a first team goal to his credit, he suddenly emerged as one of the game's top strikers.

PETER JACKSON (striker): Where manager Andrews succeeded with Evans, he now hopes to do the same with Jackson. Signed on a free transfer with Leicester City, he was the only new player to arrive pre-season — a young, talented attacker anxious to prove that he can become a busy scorer.

ADRIAN ALSTON (striker): A player of unpredictable brilliance. Immense natural skill which can explode into deceptive shooting and marvellous goals. Born in Preston but first attracted attention as central striker in the Australian team which played in the 1974 World Cup finals. Then signed for Luton before moving to Cardiff last October.

Top row (left to right): W Anderson, T Evans, R Healey, B Irwin, A Larmour, J Buchanan. Centre row: A Campbell, B Attley, D Showers, P Dwyer, D Giles. Front row: P Sayer, A Alston, D Livermore, J Andrews (manager), R Morgan, C Charles, F Pethard

IF YOU WERE REFEREE...

QUESTION: As a throw-in is about to be taken an opposing player approaches and stands close to the thrower to create difficulty as the ball is thrown in. The thrower, annoyed by the opponent standing so close, intentionally pushes the ball vigorously into the face of the opponent. What action should the referee take?

ANSWER: The referee must take the thrower's name and send him off for violent conduct. As the offence was committed while the ball was 'dead' the game must be restarted with the original throw-in, not with a free kick.

LUTON REPORTING

PLAYER PROFILE

Coaching

AS A coach working with a collection of promising young players, it may come as a surprise for me to go on record as stating that my main function is not to secure a winning reserve team. That is the first teams goal, to win and win well. The sole aim for Danny Bergara and myself is to produce players good enough to play in and maintain regular League football. To win is a bonus.

In view of this seasons reserve team results some may feel that my statement is a negative conclusion drawn from a succession of defeats. How wrong. As a direct consequence of our financial position, we have been forced to field a reserve side which in the Boss's words, "they are not yet at the shaving stage". They are meeting experienced professionals and facing problems which they must answer immediately, they must show at an early age that they have the character to go with their skill. The learning process is being accelerated.

However, these youngsters face an unequal physical struggle as they concede age, strength and power to the opposition. As a direct result we have lost several games by losing goals in the last twenty minutes when our physical efforts have taken their toll. When muscles tire and fatigue sets in, the ability to produce skill fades and concentration tends to lapse. As we get older, stronger and fitter so we can expect to compete for longer. By the New Year we shall be holding our own and by the seasons end, much to our delight, we shall be winning games.

Indeed Chelsea (the similarity is financial) may win the Combination Championship but with all due respect players such as Phillips, Cooke, Harris, Dempsey, Droy and Garner have possibly seen better days. As reserve players they are an expensive insurance, blocking the advance of promising youngsters.

We all like to win, I like to win but standards and progress are more important at our level. Games must be analysed and good points encouraged. Players must also

be able to appreciate what is good.

I am convinced our kids will not spurn the opportunities being given to them and although there will be no 'pots. for them this season, I am extremely optimistic that we are producing a group of young players to serve the club well
David Pleat.

Help

HELP - we are urgently in need of family accommodation for one or two of our younger players. This means Bed, Breakfast, Evening meal and the use of a TV, in other words to be a part of the family. We are also still in need of more match day Stewards. Any one who could help with these requests will they please contact Luton Town FC, Kenilworth Rd, Luton or phone Luton 411622.

Superfan

EXETER City soccer superfan Mike Brady was a special guest at Lutons game v Southampton. Kenilworth Road was a port of call for 24 year-old Mike, who is on a sponsored marathon visiting all 92 League clubs.

Last season he managed 31, Luton brought his total to 39. He says "I am really enjoying myself because all the clubs I've visited have been so friendly. I am hoping for Exeter to gain from my journey around the country."

Congratulations

MANY happy returns to Albert Ecott. Albert who lives at Red Roof, Shefford Rd, Clifton, Beds. celebrated his 83rd birthday on November 10th and has been a season ticket holder for 68 years.

Trial

SCHOOLS PRELIMINARY INTERNATIONAL TRIAL (SOUTH)

An International trial will be held at Kenilworth Road on Tuesday November 23rd, K.O. 7.30. The trial game will be between Div. K (Beds, Bucks and Herts) and Div. H (Cams, Northants and Leicestershire) at under 15 level. Recommendations from this game will go forward for a full International trial. Last season a similar trial produced an entertaining game and Gary Sisman (Herts) went on to play for England Schoolboys on 8 occasions. Why not come along and watch the players of the future.

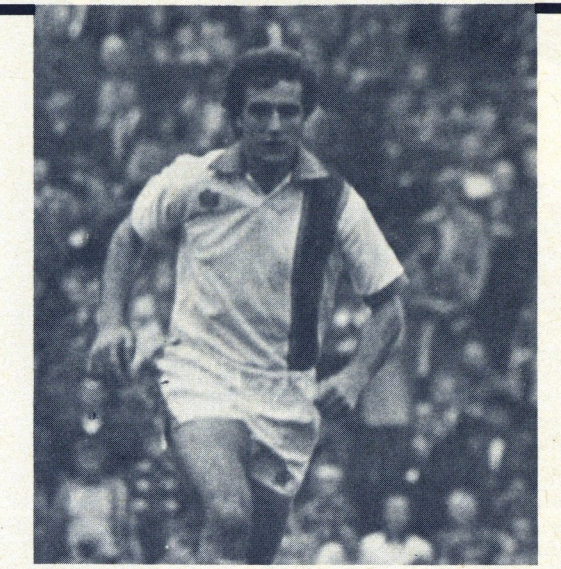

Special rates

In order to raise revenue for the Club a concerted effort is needed by everyone to help fill the empty advertising spaces. To achieve this objective special rates have been established for the remainder of the season and for the ground level perimeter sites the rentals are as follows:

- Bobbers touch line £300
- Goal line £200
- Grand stand touch line £50

In each case the sites are 24 feet in length and with the exception of the Grand stand areas they are in view of the TV cameras.

The Club is also keen to make contact with Companies who would be interested in sponsoring a First Team match. This can be done for as little as £250 and for further details of this facility and advertising sites please contact Doug Lygo at Luton 411622.

ACTION

Seventeen-year-old Tony Knight was thrown in at the deep end when Keith Barber went down with a cold for our last home match. And although he experienced disappointment as well as joy, his performance earned him rave reviews as he marked his League debut with four superb saves late in the game when Bristol Rovers were trying to get back. He showed exactly why England have marked him out as a star of the future by selecting him and Ricky Hill for the Youth squad to represent England in a tournament in Monaco.

Top left: that sinking feeling — Knight's face registers disgust as Bristol Rovers fans behind him celebrate their side's first goal, and the first conceded by Knight in the Football League.

Bottom left: The perfect answer — the Rovers fans and team went home with nothing to show for their visit, and a major reason was this sort of save by the young goalkeeper. With Lil Fuccillo covering on the goal-line, Knight finger-tips a shot from Fearnley round the post.

Top right: They shall not pass — Town defenders cover well to give Knight extra protection. Three Bristol Rovers attackers face a wall of four Town defenders, with Paul Price and Steve Buckley airborne, John Faulkner back-to-back with Alan Worboys and Paul Futchner waiting to lend a hand. For good measure, skipper Alan West is waiting in space, ready to turn defence into attack.

Bottom right: There was a lot more action in the other goal-mouth as the Town rattled in four goals for the first time this season. Jim Husband shows the shooting power that helped.

The Bletchley Branch of the Luton Bobbers Stand and Supporters Club

This afternoon, as part of their match sponsorship, The Bletchley Branch of the Bobbers and Supporters Club are holding the final of their fourth annual Penalty Prize Competition.

Schools and Clubs in the Bletchley area are invited to send two representatives between the ages of 12 and 15 (as at April 1st 1977) to an eliminating competition from which the six boys who score the most goals qualify for today's final. Each boy will take six kicks at Tony Read and the one who scores the most goals will be declared the winner.

In the event of two or more boys scoring the same number of goals, a sudden-death play-off will take place. The winner will receive a trophy which is held for 12 months and a commemorative plaque. The Bletchley committee are once again very grateful to Tony Read for keeping goal this afternoon and hope that the spectators will enjoy seeing one of their old favourites in action again. Good luck to Tony and to each of the boys.

In order of kicking, the contestants are:

ADRIAN DALLAS — SKY BLUE SHIRT, SKY BLUE SHORTS: Adrian is a midfield player and is captain of Lakes Middle School 'A' team. He also plays for the District team and his favourite team is Manchester City. In the eliminating round he scored 5 goals out of 6.

STEVEN DREWE — BLACK/WHITE STRIPED SHIRT(No 7), RED SHORTS: Steven and his identical twin brother, David, both scored 5 goals out of 6 to qualify for today's final. The twins came to Bletchley from Ealing about 12 months ago.

TREVOR STONE — YELLOW SHIRT, GREEN SHORTS: Trevor is a very active member of the 1st Bletchley Company of the Boys Brigade. When not occupied with the Brigade, whom he represents today, or football, Trevor is a keen angler and recently won the Milton Keynes Angling Association Junior Championship.

TONY BERRY — WHITE SHIRT, WHITE SHORTS: Tony scored 6 goals out of 6 to qualify for today's final and in fact has never missed a penalty. He is a member of the Milton Keynes Schoolboys team which has reached the last 64 of the English Schools Trophy.

DAVID DREWE — BLACK/WHITE STRIPED SHIRT(No 11), RED SHORTS: David plays football for his school, Denbigh, Bletchley Youth Club under-14 team and also played representative football before coming to Bletchley. Other interests are golf, swimming, snooker and cricket.

TONY POPE — YELLOW SHIRT, BLACK SHORTS: The youngest of today's finalists, Tony also scored 6 out of 6 in the eliminating round. Tony plays for his school, Richley, Bletchley Youth Club and the District team.

REFEREE — MR B ROGERS, who qualified as a referee 4 years ago and officiates in the North Bucks League, the South Midlands League and the Milton Keynes Sunday League.

The Bletchley Branch of the Bobbers and Supporters Club was formed 5 years ago and in that time have donated almost £700 to the Football Club in various ways. During the last 5 years the Branch committee have also tried to promote the image of Luton Town Football Club in the Bletchley area and today's annual Penalty competition is an example of their work although their main activities concern fund-raising events such as Disco's, Jumble Sales, Supporters Darts/Domino evenings, Theatre Trips and Stalls at local functions.

The Bletchley Hatters Club was formed in 1969, since when they have arranged transport to every home game of Luton Town F.C. picking up supporters in Bletchley, Bow Brickhill, Woburn Sands and Aspley Guise. For information contact Miss D Gammage, 17 Stoke Road, Bletchley. Tel. No. Milton Keynes 72659.
