CUP DRAW

In the Third Round of the F.A. Cup we have been drawn away to Darlington on Saturday, 8th January. Details of special arrangements for travel are to be found in the Inform Orient feature. Information regarding tickets and travel will also be announced at half-time today.

LEAGUE CUP FINAL

A limited number of tickets for the League Cup Final on 12th March are available to supporters. Some £4 seats and standing tickets at £1.50 may be reserved by postal application on a first received, first served basis.

Applications should be sent to the Club enclosing the appropriate remittance and stamped/addressed envelope by 31st December.

CUP HOLDERS HERE ON SATURDAY

Next Saturday we are pleased to welcome South-ampton, last season's F.A. Cup winners to Brisbane Road, kick-off 3.00 p.m.

Tickets for this attractive fixture are on sale at the Ticket Office after this morning's game, price £1.60 (Centre Stand), £1.30 (Wing Stands) and £1.00 for Senior Citizens holding the Official Club Pass (Wing Stand).

PARTICK THISTLE CENTENARY HISTORY

Our recent Anglo-Scottish Competition visitors Partick Thistle F.C. are the subject of a fascinating paperback book to celebrate their centenary. Copies are available at our main office price £1.25.

COTTAGE CHANGES

Since our last home League match with Fulham, changes at Boardroom and Management level have taken place at Craven Cottage. Chairman Tommy Trinder and Manager Alec Stock having relinquished their posts.

Both Tommy and Alec are good friends of the Orient. Alec Stock was formerly manager here as well as having since been in charge of today's visitors Luton Town. The longest serving manager in the game before he resigned at Fulham, Alec has a long record of success with several clubs and has carried dignity with him to wherever he has travelled with his teams.

Tommy is to stay on the Board, so fortunately he will still be part of the Fulham scene.

We wish them both the very best of luck and hope that these great servants to football continue to be involved with the game for many years to come.

NEW BADGE

Introducing the newly designed badge that will be adopted by the Club if approved by the College of Arms.

The competition to design a new badge produced many excellent entries which were individually acknowledged.

The above design is based on those submitted by Mr. C.M. Brown and Mr. Mark Hodges, both local supporters living in Leyton. Each of the winners receive a season ticket.
Not to be reproduced without prior permission

ANGLO-SCOTTISH COMPETITION

Congratulations to Nottingham Forest on winning the Final of the 1976 Anglo-Scottish Competition. After the 1-1 draw in the First Leg at Leyton, we began well in the return at Nottingham but Forest eventually ran-out worthy winners.

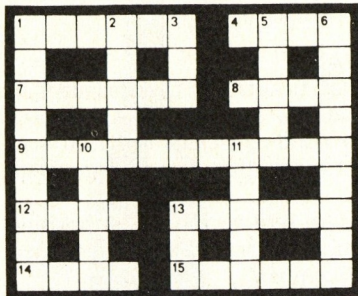

Brian Clough's team showed that they are going places and look to have the ability to add promotion to their Anglo-Scottish Cup success.

Congratulations to our lads on taking the "O's" to a cup final. Injuries prevented us fielding our strongest team for the two matches in the Final but there can be little doubt that Forest were the best team we met in the Competition. The players received presentation tankards as runners-up.

WITH COMPLIMENTS OF THE DIRECTORS

A miniature bottle of "Queen Anne Rare Scotch Whisky" is being presented to season ticket holders with the compliments of the Board of Directors.

In touch with

LUTON TOWN

Top (left to right): Brian Gregory, Steve Buckley, Tim Smith, Kim Wassel, John Dixie Deans, Ricky Hill, Sandor Simon.

Middle (left to right): Graham Jones, Paul Futcher, John Faulkner, Tony Knight, Keith Barber, John Ryan, Paul Price, James McNichol, Reg Game, Physio.

Front (left to right): Pasquale Fuccillo, Brian Chambers, David Carr, Roy McCrohan, Coach, Harry Haslam, Manager, Jimmy Husband, John Aston, Peter Mead.

MILIJ ALEKSIC - He was snapped up by Plymouth Argyle from his local side Stafford Rangers during the 72/73 campaign and played in 32 of Argyle's League games last season. Makes his first appearance for the Hatters today after joining them on loan.

PAUL FUTCHER: Luton equalled their record transfer fee when they paid £100,000 for Futcher in the summer of 1974. He was still only 17, and with only a handful of Fourth Division games behind him with Chester, his home town club. But the big League clubs had already seen his potential, and Luton nipped in to beat them.

RON FUTCHER: Twin brother of Paul, and identical in looks. When Luton paid £25,000 for him, it was generally reckoned that he had been transferred from Chester just because the boys wanted to stay together. But Ron soon made his mark: he was thrown in at the deep end when Luton were struggling in the First Division and marked his debut with a winning goal. He followed up with a hat-trick in his second First Division game, and has since established himself in Luton's front line.

JOHN FAULKNER: Don Revie was the first man to give Faulkner his League chance: he was the centre-half in the Sutton United team that played Leeds in an FA Cup-tie, and did so

well that Revie, then Leeds boss, immediately bought him. But he was unlucky at Leeds, and a broken leg threatened to end his career. He overcame it and joined Luton for £6,000 in March 1972, and has been a regular member of Luton's defence ever since. **PAUL PRICE:** Another player snapped up as a youngster, defender Price has had to fight harder than most to break through - he broke a leg early in the 1974/75 season, fought his way back to fitness, then broke it again. His determination overcame his atrocious luck, and he came back to make his debut in Division II last season. **PASQUALE FUCCILLO:** Son of Italian parents who settled at Bedford, he joined Luton as a 16-year-old apprentice in the summer of 1973, and worked his way through to the League side. He scored on his debut in February 1976.

BRIAN CHAMBERS: A Geordie, Brian made his name and reputation as a midfielder player at Sunderland, and they collected £70,000 for him when he was transferred to Arsenal in 1973. He never broke through to the First team at Highbury, and Luton got him for £30,000 only a year later, when he was 25.

ALAN WEST: Luton broke all club records when they splashed out £100,000 to buy West from Burnley in October 1973, and he and Jim

Husband, who was signed a few weeks later, helped the club to win promotion to the First Division within six months.

STEVE BUCKLEY: He was a free-scoring left winger with Southern League club Burton Albion when Luton stepped in to buy him for the bargain price of £2,000 in the summer of 1974. Within six months he had been converted into a First Division full-back, and has been Luton's left back ever since his impressive debut. **JIM HUSBAND:** Joined Luton in November 1973 with a string of honours already collected with Everton. A Geordie, he was capped by England as a schoolboy, as a youth, and at Under-23 level. He went to Goodison Park direct from school and became a Merseyside favourite in a ten-year stay there in which he hit 75 goals. Luton paid Everton £70,000 for his services and he was their leading goal-scorer last season.

RICKY HILL: A 17-year-old midfielder, Hill exploded into League soccer as Luton's season looked as though it were fading away quietly at Easter, 1976. An apprentice, signed by Luton after impressive displays for Cricklewood Schoolboys, Hill was an unknown reserve when he was named as substitute. He made his debut with 22 minutes left against Bristol Rovers, and made one goal and scored a cracker.

JOHN "DIXIE" DEANS: Luton Town's major close-season signing, they paid £20,000 to bring Deans over the border after he had had four spectacular seasons with Glasgow Celtic. His sharpness in front of goal soon earned him the inevitable nickname of Dixie at Celtic, where he scored 83 League goals in 110 appearances.

JOHN ASTON: Like his famous father before him, also named John Aston, John broke into professional football with Manchester United and achieved international fame with an out-of-this-world performance on United's left wing in their European Cup Final triumph against Benfica at Wembley in 1968, but a broken leg interrupted his career at Old Trafford. He was 25 when Luton manager Harry Haslam, a former Manchester United player himself, stepped in to secure his services for £30,000 in July 1972.

Young Orient

With the School Christmas holidays in full swing there is an extensive programme of schoolboy trial matches taking place in the search for talented youngsters to augment the Club's existing group of up and coming school-boys.

Our Colts match with Portsmouth due 11th December, at Spring Hill was postponed due to the frozen pitch. On Saturday next we are at home to Millwall, kick-off as usual, 11.00 a.m.

After their successes in the first two rounds of the F.A. Youth Cup, our junior side are looking forward to Round Three early in the New Year. As yet our opponents are not finalised — we meet the winners of the Tottenham Norwich tie at Brisbane Road before 15th January. The teams drew their first encounter and are meeting again at Norwich. We hope to have further news in our next edition.

The Club and Youth staff in particular would like to take the opportunity of wishing all the young players attached to Orient and those who have attended trials during the past year, a happy festive season and good luck in the New Year.

Girl Talk

Boxing Day is traditionally the time for football. And there is an added bonus for us this year. With Orient playing this morning it means we can go straight from Brisbane Road to see another match with an afternoon kick-off. What better Christmas present than two games in one day?

Football provides a much needed break in the festivities especially this year when the Christmas season has fallen over the week-end and means a four day holiday.

It is a chance to get out of the house for much needed fresh air and exercise after eating and drinking excessively.

And a chance to get out of the wife's way as she clears up after Christmas Day celebrations, to avoid preparing for Boxing Night parties, and be free from the children. Unless, of course, you bring your wife and children with you.

Boxing Day football can also provide aggravation from the family who want you to stay at home or visit relations. Out of the question for most football fans.

But if there is no way out of seeing aunts, uncles, cousins, and grandparents why not bring them all along to Orient. An ideal alternative to over-eating or lazing at home. A special attraction of holiday games is that they are usually against local clubs to make it easier for teams to travel and not ruin the players' chances to be with their families.

And local "derby" games usually mean bigger crowds and more excitement. Even though Luton isn't a London club it is still considered a "derby" match.

Let's hope the goodwill of Christmas spreads through this game and it is trouble-free and provides excellent entertainment and ideal Boxing Day morning action.
