Luton's lashing

Forest 1, Luton 0

By MERVYN ROBILLIARD

AFTER losing to Forest, Luton took on manager David Pleat in a verbal battle in the dressing room.

Luton skipper Brian Horton explained: "We played a bit unprofessionally and the manager was not at all happy.

"There was an exchange of opinion in the dressing room afterwards. He put his point of view and we put ours."

Manager David Pleat said: "No, I was not satisfied. We were far too sluggish, failed to do ourselves justice, and never got started until it was too late."

A devastating strike by Scottish international Ian Wallace sent Forest to their fourth successive victory

Man of the Match: Steve Wigley (Forest).
