

Lee lashed in Watford stalemate

GRAHAM TAYLOR last night blamed young defender **Lee Sinnott** for wrecking Watford's chances of taking a step nearer their second successive FA Cup final appearance.

Watford seemed destined for a quarter-final home tie against Millwall on Saturday with a powerful two-goal advantage in this replay until Sinnott's error enabled Luton to stage a remarkable comeback.

Disappointed manager **Taylor** said: "With 13 minutes to go, we were two up when the young lad tried to play offside and let the Luton forward through.

"There was no need to take such a risk. That goal may have looked miles offside—but it wasn't. Sinnott will have to learn from his mistake . . . you don't even attempt to play offside like that."

Ekeka Nwajobi stole through in acres of space to lob coolly over 6ft 4in keeper **Steve Sherwood**.

That 77th minute goal was followed four minutes later by a fortunate Luton equaliser when a **Ricky Hills** shot from just outside the penalty box took a wicked double deflection.

Luton's spirited revival was rewarded when they won the toss to stage the third encounter of this FA Cup fifth round marathon on Saturday.

Watford stormed into a two-goal lead, even though they lived a charmed life with a cross-bar saving them on two occasion.

Les Taylor scored on the stroke of half-time and **Steve Terry** in the 52nd minute added a second to give Watford a commanding position. Then came Sinnott's blunder.
