**HATTERS 2
BLUES 1**

1. England and Ipswich centre-back Terry Butcher is unable to keep goal-scoring Mick Harford under control.
2. Hatters goal-scorer Emeka Nwajobi climbs confidently above Russell Osman in second half action.
3. Ricky Hill's excellent display of midfield superiority gives Ipswich the 'blues'.

Welcome to this evening's game. Every game that we play in the last ten League matches takes on extra significance. We must show tremendous determination to increase our points total and ensure our First Division survival.

Norwich must be congratulated on their tremendous achievement in winning the Milk Cup Final at Wembley. It was a day where fans of both sides enjoyed the day without any acts of over enthusiasm to give the game a bad name. It is a fact that supporters of clubs outside the big cities do not attract the unruly element that attaches itself to our game. Ken Brown is a friendly man who has built a 'happy spirit' team. The signing of players like Mike Channon and Asa Hartford have proved short term master strokes whilst the undoubted backbone of the team has been the shrewd signings of David Watson and Steve Bruce. It looks like an interesting game is in prospect and I sincerely hope everyone leaves the ground happy that they have received value for money.

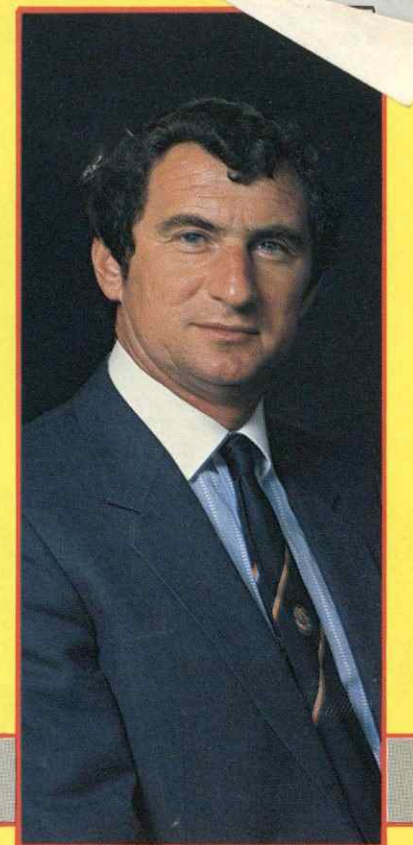

It now appears clear that the season will be extended to enable us to play Everton and Coventry after the Cup Final. Our schedule is already hectic and at this stage we are desperate to avoid an injury situation that we suffered earlier in the season. At the time of

side but it is to their credit that they didn't protest too strongly and finish up being booked. We cannot afford suspensions.

Since my last notes we have made two further schoolboy signings. Tim Allpress from Shillington a defender aged 14 and Richard Donnelly from Aberdare. We wish them both well. Two further boys Marvin Johnson from Aylesbury and John Kennedy from Swansea have been invited to join the club as apprentices. Marvin partnered Ian Scott from Dunstable in the Reserves recent fixture with Oxford. This pairing has produced some outstanding defensive performances for our Championship winning youth team.

On the injury front Paul Elliott is coming along and is optimistic as is fellow centre half Stacey North. Both have recently been on crutches. John Findlay our unlucky goalkeeper has undergone surgery on his troublesome neck injury and we are all hoping this will do the trick.

Many people have asked me for my view regarding the violence and subsequent punishment after our Millwall game. If a group of drunks storm up my garden, throw stones, break windows and damage wantonly, I would be more than upset. If I was then told by four gentlemen that I should erect an 18 foot high fence immediately around my property, I would despair. After all I might

WELCOME

writing Ricky Hill is fighting to be fit to take his semi-final place and Steve Foster has been forced to miss the excellent team's performance at Stoke. I felt sorry for Bill Asprey the Stoke manager. One or two players are not pulling their weight and sadly he can't replace them. Our performance was sound. We had been disappointed to leave Southampton pointless particularly after a more than bright first half. Peter Shilton made excellent saves as we failed to press home our advantage. We paid clearly in the second half when Danny Wallace took his chance although expecting the offside whistle. Our players to a man were convinced that both Wallace and Armstrong were off-

like looking out of my front window. Should our innocent seat holders from areas where we have introduced a family atmosphere suffer for the actions of hooligans who should be treated by law and order and government?

I know Sir Arthur South will be here this evening. I ask only one question. Are you prepared to put fences up in front of your seats at Norwich as a gesture of goodwill and sympathy towards the Lutons of this world who may 'appear' to lack the muscle of the Liverpools and the Tottenhams of this game?

Tonight let every supporter get behind his team in the right way. Make sure that the

damage done to our good reputation will not over-ride our intentions to play enjoyable football in a pleasant, peaceful environment.

BEDFORD'S NEW MIDI.

BEDFORD 
Now the driving force.

Everton continued their winning ways with a convincing win over Sunderland by four goals to one at Goodison Park. Andy Gray was the hero scoring twice — both classic headers. They flew by Sunderland goalkeeper Chris Turner in the 34th and 38th minutes after Ian Wallace had put the Geordies in front in just 81 seconds. England's Trevor Steven got the third goal just six minutes into the second-half and an own goal by Gordon Chisholm saw the Toffee men retain their lead at the top of the Division.

West Ham United dented Tottenham Hotspur's Championship hopes by scoring with only five minutes to go. Ossie Ardiles returned to the big time after a long spell out with injuries, to put Spurs one up two minutes from the interval. West Ham raised their game and Roberts and company defended magnificently and they looked certain to hold

the home side at bay. Then Roberts made an error and Alan Dickens was on hand to score the equaliser. Two days later they visited QPR and ran into difficulties when they lost goalkeeper Tom McAlister who was taken to hospital with two broken ribs. Ray Stewart put on the goalkeepers sweater but by then John Lyall's team had lost its composure and the points. John Byrne opened the scoring after just 38 seconds and Tony Cottee equalised on the stroke of half-time. Bannister (2) and Terry Fenwick put the game beyond the Hammers' reach before Cottee grabbed a late consolation.

Norwich City must be glad that Easter is over as they were beaten at Highbury by 2-0. Charlie Nicholas and Stewart Robson responded to Don Howe's ultimatum to get results. Norwich manager Ken Brown wasn't to happy about Nicholas's involvement with former Arsenal player John Devine. 'That foul was diabolical. To hit someone like that with your elbow and not be sent off was rank bad refereeing.'

He went on to say about the games other flash point, a touchline clash between rival skippers Watson and Rix. 'It was just a fair challenge for the ball. The game is about competing, not fighting with your handbags.' At Carrow Road on Monday they again were in trouble as they were beaten by neighbours Ipswich Town 2-0. Throughout the game there were some hefty tackles and referee Colin Downey worked overtime to keep the game under control. Six names went into his book before Asa Hartford made a reckless tackle on Mark Brennan and was given an early bath.

Ipswich went in front after six minutes when Terry Butcher glanced in a header from a Gates free-kick then with the second-half only a minute old Mich D'Avray powered in a right-footed shot to give Ipswich the points which lifted them out of the relegation area. They also had a fine win over Nottingham Forest on the previous Saturday when Alan Sunderland playing only his 16th match of the season scored with a rare header from an Eric Gates corner.

An explosive but miss-cued shot by Kerry Dixon gave Chelsea the winning goal against QPR but he wasn't complaining nor was his boss John Hollins. 'If Kerry had hit it properly the keeper might have saved it.' The game itself never lived up to expectations and as Hollins said 'Local derbies are never what they are cracked up to be. It was a poor first-half and didn't improve a lot in the second.'

SCENE ON ONE

RAY STEWART

Manchester United didn't have any sympathy for lowly Stoke City as they swept to a 5-0 victory. Manager Bill Asprey said 'They are a class side, the best in the country and if Everton slip up United will be there.' Two goals apiece from Mark Hughes and Jesper Olsen and one from Norman Whiteside were the United scorers.

Stoke again ran into trouble on Monday at the Victoria ground when Luton Town were the visitors in the relegation battle. Two goals from Mick Harford and one apiece from Nwajjobi and Moss saw the Hatters move out of the bottom three for the first time since Christmas.

Watford's new striker Colin West was again on target with a goal in the match against Southampton at Vicarage Road, and only some brave goalkeeping by Peter Shilton stopped him from adding to his goal tally. It was the Saint's veteran Nick Holmes who rescued his side with a goal with five minutes left to play when he headed in a George Lawrence 'chip' into an empty net. Watford manager Graham Taylor said 'It was a scrappy game but I thought we did enough to win.'

Sunderland and Newcastle played out a goalless draw at Roker Park whilst West Bromwich Albion won the Midlands derby match against Aston Villa with a goal after 10 minutes from Carl Valentine. Albion manager Johnny Giles said after the match 'That was a heart stopper. They dominated the second-half and we were hanging on. I thought we defended well.'

Everton moved a step nearer the Championship title on Tuesday without kicking a ball when Sheffield Wednesday beat Manchester United by 1-0 at Hillsborough, Lee Chapman scoring the important goal. The same evening saw Southampton go a step nearer a place in Europe when they defeated Leicester City at the Dell 3-1. This victory was not won without a disaster as Danny Wallace their England Under-21 star broke his ankle and will be out for the rest of the season. Saints' goals were scored by Bond from the penalty spot, George Lawrence and Joe Jordan with Steve Lynex replying for the City.

Leading goal scorers in the Division are as follows:

Kerry Dixon	Chelsea	31 goals
Graeme Sharp	Everton	25 goals
Luther Blissett	Watford	24 goals
Mark Falco	Tottenham	24 goals
Gary Lineker	Leicester	24 goals
Gary Bannister	QPR	24 goals

THE LOCAL TASTE AND HOW TO SATISFY IT

We're very definite about our taste in beer around here. A clear light pint is what we look for; with a good, clean smack of malt and hops.

And there's only one name that really satisfies the local taste – BB. The Light beer first brewed in Luton during the darkest days of the War by J. W. Green.

Only the finest hops and good, ripe barley go into the making. Then the brew is matured to exactly the right degree to give you a bright refreshing pint with a sound, full flavour.

American servicemen in local wartime bases declared that BB, chilled, was the nearest taste to Stateside draught.

It went down well when Syd Owen ruled the Hatters.

And it's been going down well ever since. Because BB is brewed with a proper respect for quality. To keep up the traditions we value round here.

POINTS OF VIEW

Dear Mr Pleat

I am writing to thank you and the staff and players of Luton for the warmth and generosity shown to my guests during our sponsorship at Kenilworth Road on Saturday.

It was particularly pleasant, that even just before what obviously was a vital game, we were greeted with enthusiasm by the players in their dressing room.

Please convey my thanks to all of them and particularly Les Sealey, Mal Donaghy, 'Mecca' and David Preece who helped to make it an unforgettable day for our guests.

Dear Ron

I would like to thank you and all the people of Luton Town FC for your help and co-operation in extending a warm welcome and hospitality to our German visitors. In particular please pass on our sincere thanks to Andy Dibble for taking the trouble to visit our school. The German boys were most impressed with the friendly way we were treated on our visit to the ground.

I was delighted that Luton obtained three valuable points from the match against QPR when we were your guests, and I know that in this locality as well as a little pocket of Germany your results will be anxiously awaited.

Dear all Luton Town

Congratulations you are off to Wembley I am very proud of you and I am sure that all the other fans are as well. I didn't go to the match but I heard that you beat them 2-0. I'm sorry that I didn't go or I would have asked my Dad Steve Gudgeon if I could come to congratulate. I am not coming to Wembley because it would be too crowded for me. I think that you are the best LUTON ARE SKILL. Love from:

Philip Gudgeon

FA CUP VERSUS MILLWALL 13.3.85

Recently the FA Enquiry was held which related to the incidents that took place prior to, during and after the match. The enquiry decided that the club were guilty of misconduct and we shall be looking seriously at appealing the FA decision. In our view, the fencing in our family enclosure and our own season seating ticket holders defies all logic. They were never at any time involved in the crowd misbehaviour. It was not our fans who wrecked our town, our stadium and the trains enroute.

We have an excellent disciplinary record, spanning fourteen years. This decision is a direct response to outside factors where more fencing was called for. But surely not the families' areas whom we are asked to actively encourage, and surely not our season ticket holders.

In our view, this decision has been influenced by other factors. Indeed, we were asked not to make a Press Statement until the DOE has been informed.

But Luton Town will not be tainted in this way, and will continue to protect the interests of its families and season ticket holders. We are not guilty as charged, by the Referee's Report, and we shall therefore be taking the issue at least to Appeal.

KEN BROWN

Deehan has also had a fine season and is the side's leading scorer.

Former apprentice Paul Haylock and the Dutchman Denis Van Wyk form City's usual full-back pairing either side of the Bruce-Watson central partnership with Peter Mendham, another product of the Carrow Road Youth policy, wearing the number five shirt but operating in midfield where Hartford's contribution has been important in the last few months.

Winger Mark Barham is now back to top form after injury problems and a relative newcomer to the First Division, Lou Donowa, has progressed into the England Under-21 squad this season.

Channon's form at an age when many people were writing off his First Division days, has also played a key part in the Canaries' success over the last few months and the former Southampton, Manchester City and England striker should get into double figures for goals this season which underlines his value.

Players like Greg Downs and John Devine give the City squad added depth and no doubt Brown will be hoping to add to his pool over the next few months as City prepare for the challenge of bringing European football to Norfolk for the first time next season.

It's always good when a so-called smaller club breaks up the big-city monopoly on the honours front and City's Wembley success last month could act as a spur for other similar clubs in the coming seasons.

Luton's visit to the Potteries on Easter Monday was to say the least a pressure match as both sides were desperate for the points. An added problem for the Town was the absence of Steve Foster who was injured in training earlier in the week, so Wayne Turner wore the No. 5 jersey.

Stoke who were heavily beaten by Manchester United on Saturday, collapsed again after 16 minutes, when a poor back pass by Paul Dyson stuck in the mud, allowing Mick Harford to prod the ball under Siddall to put the Town on course to climb out of the bottom three for the first time since Christmas.

When Harford made it 2-0 immediately after the restart the home fans turned their attention to the directors box calling for action, but it was the Town who gave them the action.

David Moss who came on as substitute when Ricky Hill limped off just before half time, rounded off a good move with Brian Stein to score No. 3, and Emeka Nwajiobi completed the rout with a fourth goal twenty minutes from the end.

This victory should give the players the lift they need as they continue their efforts to climb the table.

AROUND THE TOWN

SOCCKER CROWD CHEERS SCHOOL'S SUCCESS

Seven schoolboys took stardom in their stride when they walked on the Luton Town pitch before 13,000 fans.

As the crowd cheered and the giant electronic scoreboard flashed its congratulations, the youngsters from Lincroft School, Oakley, shook hands with manager David Pleat.

The Lincroft team and two substitutes who met Mr Pleat were Paul Goodfellow, Alan Spurgeon, Stephen Henman, Alan Sutherland, Davonne Green and Paul Ives, led by captain, Julian Capone. Afterwards, Julian said: 'It was great. Maybe next time we go on the pitch we'll be playing for Luton, instead of watching.'

Julian and the other lads went home with even more to smile about — Luton won 3-1.

HAPPY HATTERS

Joining Junior Hatters give our youngsters opportunities to take part in club organised events. One such day was the recent Junior Supporters Club Fun Day, which gave our members the chance to compete in races and games against the young supporters of Arsenal, Spurs, West Ham, Fulham, Southampton, Watford and Norwich.

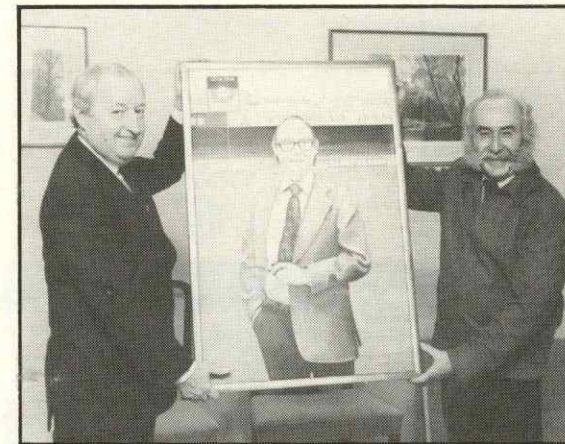

The fun day was held on and around the pitch at White Hart Lane and in addition to our own international star Peter Nicholas it was thrilling for our youngsters to rub shoulders with the likes of Pat Jennings, Steve Perryman, Garth Crooks, Nigel Callaghan and Worrel Sterling while some of our youngsters had the opportunity to pit their penalty skills against John Lukic.

The picture captures our team which finished a highly creditable sixth out of the eight teams in the competition which was won by Fulham.

FOOTBALL EXPERT

When it comes to predicting match scores Harold Cook owner of the Luton Bread Roll Company takes the cake or in this instance the ball. Harold has been a guest of T. J. Aldridge at two sponsorships and on each occasion he has correctly forecast the result. Harold is pictured receiving the autographed ball from TV commentator Gerry Harrison.

PROGRAMME NOTE

The photograph shown above depicts a very memorable moment in the club's history. It shows our Chairman, David Evans, accepting from Mr Des Davies of Northville, Bristol, an oil painting of the late and sadly missed Eric Morecambe. This painting will be hung in the 'Club '82', which will be re-named 'The Eric Morecambe Suite'. We hope that Eric's widow, Joan, will be here for the unveiling.

ALAN JUDGE

Alan decided to finish his college education before becoming a professional footballer that is why he was over eighteen before joining the club on a full time basis. Although never a regular member of the League side he never let the side down when he was called upon. His excellent performances in the Reserve side didn't go unnoticed and Maurice Evans then the Reading manager persuaded Luton to let him go.

On his arrival at Elm Park he went straight into their League side and became a regular member. He won over the supporters with his reflex saves and agility.

Earlier this season Jim Smith, manager of Oxford United, was looking for a second goalkeeper. Alan had no hesitation in joining a club who at this time are pushing for promotion in Division One.

GOALSCORING AWARDS

The Canon League goalscoring awards for the season will be worth another £2,500 following the cancellation of the January award because weather caused so many postponements.

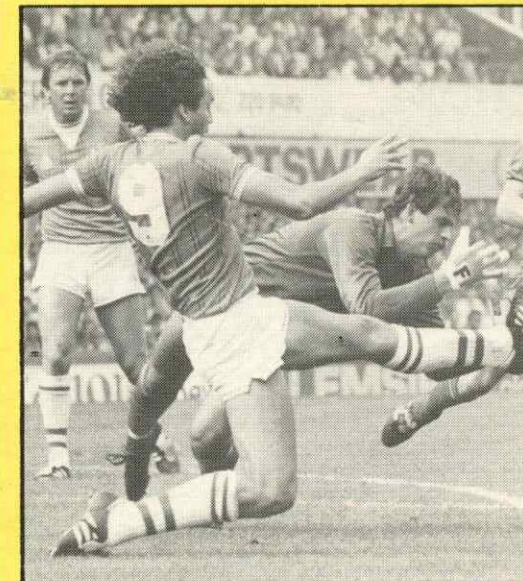

Graham Kelly, Secretary of The Football League, said: 'We are delighted that Canon (UK) Ltd have agreed to use the January cash to increase the season awards. This means that the clubs unfortunate not to be able to play more than one game will not be penalised, and nor will the clubs who did play and score well lose the benefit of those goals.'

The top goalscorers in each of the four divisions of the Canon League at the end of the season will now receive: Division One, £7,500; Division Two, £5,750; Division Three, £4,000 and Division Four, £2,250.

Currently, in the race for the seasonal awards the following clubs lead the table:

DIVISION ONE		DIVISION TWO	
Everton	(57)	Oxford United	(52)
Tottenham Hotspur	(51)	Blackburn Rovers	(50)
Manchester United	(49)	Grimsby Town	(47)

		Leeds United	(46)
